

March 2015

Skate Park Access Path

The Wotton Skate Park is now open and being enthusiastically used. We are well advanced with our plans to provide safe pedestrian, skate board and cycle access from the town along a path which will go from the well-used OK Path direct to the skate park, and will form part of the proposed jogging trail around our site - but we need your help.

We now invite you to become a Sponsor of a Yard of Path. The path will be 500 yards long and will cost around £95,000, including set up costs, tarmac surfacing, hedging, fencing, gateways, a bridge and low level lighting. We need help with labour and materials, and lots of people, or companies, to sponsor a yard of path for £150.

£150 for a yard of path - £100 for 2 feet - £50 for 1 foot. How close can we get?

We already have pledges of nearly £2,000 and we will carry on applying for funding, but we need your help to make the path possible. Our Wall of Friendship will include the names of all who have been kind enough to support our efforts.

Please consider adding your support to this prestigious community project and increase the number of people who can enjoy the facilities in safety. For further information, visit our website www.wcsf.org.uk to see the plans and details of all we do.

Contact me on 01453-842195 or at jill@mtebb.freeseerve.co.uk and let me know how much you are able to give. Let's make this happen together.

Kind regards

Jill Tebb
