What a great night we had on Thursday our thanks must go to the BRAG committee for coming up trumps again, the hard work they put into these events really shows up the dedication they have for the village and its people.

Our thanks also go' to Bryn Primary school the children, teachers and headmistress for the hard work put into their contribution. Again this year the Maesteg Gleemen put on a great show for our entertainment, I particularly enjoyed the way they intergrated the children into their show. We were again joined by the "MARI LWD" our thanks to Daff and his friends. During the interval we were entertained by a recital from the group playing the accordians a pleasurable experience, unfortunetly Janet Frances-Jones didn't have time to entertain us as the time caught up with us. A special thank you to those ladies and gents working behind the scenes without whom we would have suffered from thirst and hunger. I don't think i have forgotten any one "Ops" of course thanks to SANTA and his chauffer.

A VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR TO YOU ALL.

KEEP WATCHING!

Music provided throughout the evening by Ken Pearson & Friends

The acordian players from Bryn and Measteg provide a light musical interlude

It would seem that recent rumors of Daffs demise were unfounded as he corners another customer for the village calendar.
