

Billy joins Historical Welsh Sports Personalities

Graham Rowlands was recently asked by the Waterfront Museum Swansea to provide them with information relating to Billy Beynon (see information on Billy Beynon on the Bwystfil y Bryn web site) as owing to it being Olympic year they were going to do a history of famous sports persons from Wales and their links to local history. As you can see from the photos Billy Beynon's photo was alongside Shayne Williams which was quite an honour to see!

In addition the Billy Beynon Trophy which each year is presented to a representative from the boxing team first home took centre stage at the evening as everyone wanted to see it.

Above the gentlemen in the blazers admiring the Billy Beynon Trophy are Don Jakles the W.B.C. Chairman for Wales, Danny Davies Vice Chairman of the W.E.B.A. and Bill Holder W.E.B.A. Committee Member all were aware of Billy Beynon's story as a result of all the hard work put in by this group and Billy's' online story on Bryn's' race web site.

Billy Beynon is now getting the recognition he deserves being seen alongside today's Welsh Sportsmen and Women. The lady pictured left holding the boxing trophy is Non Evans who has represented Wales in Rugby, Judo and Power lifting, and will be commentating on the Olympic Games later this month.
