WANDSWORTH CARE ALLIANCE

TRUSTEES REPORT

FOR THE YEAR ENDED 31 MARCH 2015

The Trustees and the management committee of Wandsworth Care Alliance takes pleasure in presenting the Executive Committee's Report and the audited financial statement for the year ended 31 March 2015.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

Structure, governance and management

Lady Scott (Chairperson)

Donald Roy Esq.

Dr Caroline Varlaam

Clive Norris Esq

Mrs Elizabeth Berner

Mr Michael Jeremy Cowper

(Appointed 10 December 2014)

The Company's directors are also trustees of the charity, however not all trustees are directors. The Board has the power to appoint additional trustees as required by the organisation.

WCA was founded in 1991 and was governed by its constitution until its date of incorporation.

The company was incorporated on the 14th April 2004 and was not a registered charity until the 23rd June 2005.

The memorandum and articles of association empowers the Board of Trustees, which is collectively represented by the membership at the Annual General Meeting, with decision making.

Objectives and activities

The objectives of the charity (the "Objects") are the relief of sickness and the preservation of good health and well being including without limitation by the provision of information and advice and by providing an independent voluntary sector voice, and by monitoring, reviewing and seeking to contribute to the improvement of health and social care services, in particular, but not exclusively, for people from minority groups and their carers.

WANDSWORTH CARE ALLIANCE

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2015

Achievements and performance

WCA operated a range of projects and activities over the year delivering results efficiently and effectively. However, the organisation faced a continuing challenge to cover its core costs despite the success of measures to reduce costs and initiatives to improve efficiency which together delivered a reduction in overheads of around 40% (see note 7 in the accounts), WCA ran a loss of £8,000 over the year.

In 2014/15, Healthwatch built on the success of the previous year with improved financial performance and the achievement of 74% of possible performance-related payments. For more details regarding Healthwatch activities and achievements please refer to Healthwatch Annual report 2014/15.

Our work with Social Sundayz (a peer lead social club project for people recovering from drug and alcohol addiction) came to a successful conclusion, with the project now functioning autonomously of WCA and funded by the Local Authority.

Changes in circumstances and commissioning intentions in the first half of 2014 resulted in reduced funding and scope for activities of the Drug and Alcohol Service user involvement project in preparation for the winding up of the project at the end of March 2015.

A number of staffing issues have been managed this year, including but not limited to, long-term absence both through sickness and maternity leave. Inevitably these involved costs for the organisation (mostly opportunity costs but in some cases direct financial cost too) but overall, the circumstances were well and beneficially managed.

Voicing Views (mental health service user involvement project) continued to operate successfully and following some research to evidence an identified need for some more specific LGBT mental health support a proposal was made to fund a small 12 month pilot of a dedicated LGBT mental health project.

Funding has subsequently been received during the financial period 2015/16 and a dedicated LGBT mental health pilot will be formally launched in the autumn of 2015.

Financial review

Income for the period ending 31st March 2015 was £389,010, down £16,528 (approximately 4%) on the previous year. Whilst a number of variables contribute towards the final income sum for the year, the difference between income in this reporting year and the last is roughly equivalent to the difference in grant fundraising success (see note 4 of the accounts).

Expenditure for the same period was £397,337, down from £451,975 in 2013/14, a reduction of £54,967 or approximately 12%. In spite of rising prices, particularly for rent of office premises, strategic changes and cost saving exercises have contributed towards reducing expenditure on overheads (see note 7 of the accounts).

The organisation remains solvent, but liquidity has been a concern and at times a problem for the Trustees, particularly around the end of the reporting year and on the cusp of the next financial period. A key factor contributing towards the liquidity issues was the timing of commissioning cycles for service-level agreement funding - all beginning and ending at the same time - which causes a low watermark for cash on the cusp of each financial year. The significant reduction in the level of our reserve after 2013/14 reflects a lack of income from fundraising activities in 2014/15.

The difficulties experienced in 2014/15 have focused us positively on our goal to secure the future of WCA.

WANDSWORTH CARE ALLIANCE

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2015

The present level of funding is adequate to support the continuation of the charity's operations, and the trustees consider the financial position of the charity to be viable. However, continued efforts are being made to broaden the range of income sources and thus reduce the charity's dependence on a small number of major funders.

The Trustees have agreed that the organisation will maintain a level of reserves that will be subject to review on a quarterly basis to ensure that it is satisfactory and would enable them to meet their financial obligations.

The trustees are empowered to take the course of action that they consider appropriate to further the company's charitable objectives.

Plans for the future

To continue our mission -"Working to improve health and wellbeing through community involvement, collaboration, action and a stronger voluntary sector voice," with a particular focus on the following:

To build on the success of existing projects, including Healthwatch and Voicing Views and seek to extend the future security of their funding

To identify and secure funding for projects and activities that will closely complement existing work and deliver economies of scale.

To continue to find further efficiencies and cost savings where practicable.

To support the Chief Executive and the staff of WCA to maximise and realise their potential and to work positively together to deliver the goals of WCA.

Statement of Trustees responsibilities

The Directors and Trustees, who are also the directors of Wandsworth Care Alliance for the purpose of company law, are responsible for preparing the Trustees Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Directors and Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these accounts, the Directors and Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The Directors and Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

WANDSWORTH CARE ALLIANCE

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2015

Disclosure of information to auditors

Each of the directors has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the auditor is unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the auditors are aware of such information.

Auditors

A resolution proposing that Leroy Reid & Co be reappointed as auditors of the company will be put to the members at the next Annual General Meeting.

On behalf of the board of Directors and Trustees

L. A. Scott

Lady Scott (Chairperson)

WANDSWORTH CARE ALLIANCE

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF WANDSWORTH CARE ALLIANCE

We have audited the accounts of Wandsworth Care Alliance for the year ended 31 March 2015 set out on pages 7 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and Trustees and auditors

As explained more fully in the statement of Trustees responsibilities, the Directors and Trustees, who are also the directors of Wandsworth Care Alliance for the purposes of company law, are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the accounts

An audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors and Trustees; and the overall presentation of the accounts. In addition, we read all the financial and non-financial information in the Trustees Annual Report to identify material inconsistencies with the audited accounts. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on accounts

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2015 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Emphasis of matter- Going Concern

In forming our opinion on the accounts, which is not qualified, we have considered the adequacy of the disclosures made in note 1.1 to the financial statements in respect to going concern. The charitable company made a deficit in the year and this has been so from 2012 which has had an adverse effect on the reserve. The conditions do not indicate a material uncertainty which may cast doubt over the charity's ability to continue as a going concern. The financial statements do not contain any adjustment that would be required should the charity not continue as a going concern.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Trustees Report for the financial year for which the accounts are prepared is consistent with the accounts.

WANDSWORTH CARE ALLIANCE

INDEPENDENT AUDITORS' REPORT (CONTINUED)

TO THE MEMBERS OF WANDSWORTH CARE ALLIANCE

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

WANDSWORTH CARE ALLIANCE

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2015

1 Accounting policies

1.1 Basis of preparation

The accounts have been prepared under the historical cost convention.

The company meets its day to day working capital requirements through an overdraft facility which is repayable on demand.

The nature of the company's activities are such that there can be considerable unpredictable variation in the timing of cash inflows. The Directors and Trustees have prepared projected cash flow information for the period ending 7 months from the date of their approval of these accounts. On the basis of this cash flow information and discussions the Directors and Trustees consider that the company will continue to operate. On this basis, the Directors and Trustees consider it appropriate to prepare the accounts on the going concern basis.

The accounts have been prepared in accordance with applicable accounting standards, the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005 and the Companies Act 2006.

1.2 Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of service level contracts, grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Contract Income generated for services rendered are recorded in the accounts when the invoices have been raised and excludes any VAT.

Investment income is included when receivable.

1.3 Resources expended

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment	25% Straight line basis
--------------------------------	-------------------------
