WANDSWORTH
CIVIC
AWARDS

Do you know an unsung community champion? We'd love to hear from you!

These awards seek to honour those who make fantastic contributions to day to day life in Wandsworth. We are seeking nominees from all corners of the borough - residents who have done anything from helping out neighbours in need, coaching a local sports team, giving up their free time to volunteer, organising a community event or carrying out an exceptional act of bravery.

So if you know someone who has made a positive impact please nominate them by **Monday 15 October**. We want to hear their stories and have the chance to give them the recognition they deserve. Please visit www.wandsworth.gov.uk/civicawards for more information on how to nominate
