

The Training/IT space can also be used as a small meeting room, it covers an area of 6 x 8 m meters. It has a white board, computer equipment, tables and chares which can be arranged as required.

The room is accessible via the Lounge.

The nearby kitchen, accessible from the lounge, can also be used. This may sometimes be shared with another group hiring the Lounge at the same time.

The IT equipment/facilities are being upgraded, so please check their status if you intend to use these as part of the hire of the room..
