**Loads of Things to Do, in July,
including Strawberry Fair and Open
Gardens in Bacton & Ridlington.
Read on for Details!**

Notes from Bacton & Edingthorpe Parish Council

Thank you for the comments received about the future of The Duke Public House. They have been passed onto the owner.

Thank you to the residents and Councillors who participated in the defibrillator & CPR training - it was great to see you all in attendance.

Jayne Biggs from Heart-2-Heart arranged an excellent demonstration and we hope that you will all now be prepared to save a life if necessary.

It was also good to learn that there will be another defibrillator installed soon at Bacton Primary School via funding from Shell donated to Heart-2-Heart. Multisports sessions are going well, with approximately 24 local children participating. We do need to maintain the numbers in order to keep this project funded.

The Parish Council is extremely busy in April/May and June with the audit process and the completion of annual accounts and AGAR. These are available

on the website for the community to view. If you have any questions, please contact the Clerk.

The NCC Parish Partnership Scheme - a 50/50 initiative - will be open again soon and it is hoped that the Parish Council will put in a bid for funding another drainage system within the village. Norman Lamb's 2018 Village Tour will take place on Wednesday 29th August near to Bacton Superstore at 10.50am. If you would like to speak to Norman, please just turn up to this advice surgery.

There are currently a number of Councillor vacancies so if you would be interested, please contact the Clerk (number below).

The next meeting is the Ordinary Parish Council Meeting on Monday, 9th July 2018 at 7pm in Bacton Village Hall Annexe. All are encouraged to attend.

Yard Sales

A good response to the item in the June edition re the Yard Sale happening on Sunday 5th August (5 weeks away).

We now have 12 Yard Sales taking place in the Priory Road / Walcott Road/Bromholme Close area. Don't forget, if you are planning to hold a sale in another part of the village, please feel free to let me know and I will add your road to the publicity we send out. As I said last month, I can't promise the local media will use it, but they were very supportive last year.

Book Club

We have another new member which is good news. Most members attended the June meeting and we had a good discussion on the merits of Helen Dunmore's book, 'Birdcage Walk.' It is set in Bristol at the time of the French Revolution and we were interested to see how the upheaval in France caused uncertainty in Britain. Investors became cautious and this affected

a builder with visionary plans for Bristol. His wife, Lizzie, the principal character, is the daughter of a radical mother and although they have a strong relationship, the opposing expectations of life create conflict in the plot. This book also addresses the death of a loved one and the suspicious death of another person. We thought the historical portrayal of life at this time was realistic and the dramatic incidents well-written.

We are now reading 'Flight Behaviour' by Barbara Kingsolver and will be issuing 'The Cement Garden' by Ian McEwan and 'The Past' by Tessa Hadley at the next meeting which is on Thursday 19th July at 2:30 in Bacton Village Hall. If you would like copies, please join us or contact me.

Bacton-on-Sea Gardening Club

Members were interested in the variety of plants, hanging basket demonstration and a good natter over tea and cake at Overstrand Garden Centre. On July 13th we have planned a practical afternoon of crafts for the garden before afternoon tea.

To promote our beautiful village and community spirit we have organised the biannual Village Open Gardens Event on 29th July from 11am to 4pm. There will be eleven private gardens open to be enjoyed by residents and visitors. Tickets and an information leaflet will be available on the day at Bacton Village Hall, Coast Road, Bacton NR12 0ES. Admission £4 per adult (children up to 16 free).

Refreshments including light lunches and homemade cakes, a plant stall and tombola will all be available at the Village Hall. There is parking at this venue, and other parking areas around the village are located on the event map. Bring the family and enjoy our gardens. Enjoy the day! For more information contact Lyn Ross 07787 521151 or email bactonosgardenclub@gmail.com

through the many changes in farming methods up to the present day. There were plenty of photos to illustrate his talk as well as farming implements to see as well as plenty of good stories about life on the farm. It was a very well-attended meeting; many thanks to Graham for generously giving his time. Our next meeting will be August 8th when we will be preparing for our annual display of photos and archives in the Village Hall. Date to be confirmed, probably Sunday 19th August.

Theatre Group

Three people thoroughly enjoyed A Night at The Musicals, performed at the Atrium by young singers assisted by some adults including Paul from Bacton. Four of us were thrilled by the performance of Acosta

Danza and the guest appearance of the legendary Carlos Acosta at the Theatre Royal. The programme consisted of four very different dances, each displaying the Cuban influence. Agility, strength and creativity were expressed with passion. It was a wonderful experience acknowledged by the standing ovation of a full house.

Productions to consider for the future are: Tomfoolery, the satirical songs of Tom Lehrer at the Sewell Barn; Still Alice, starring Susan Small as a woman coping with early-onset dementia; Bank Robbery, a comedy from the crazy group who created The Play That Goes Wrong; Macbeth by the National Theatre Company. The last three are all at the Theatre Royal in the Autumn. If you would like more information on these please contact me.

Our next meeting will be on Monday 2nd July from 10:00

am in Bacton Village Hall Annexe.

Showtime Volunteers Wanted!

'Showtime at the Coronation Hall' returns in August continuing the Mundesley tradition of over 30 years of summer, seaside entertainment. Working in partnership with Red Loft Theatre Company, this Coronation Hall project aims to help keep live music and theatre at the heart of Mundesley village and will see local professionals and rising stars treading the boards with two new cabaret style shows.

We will be delivering a first-class experience to a dining audience of 100 per night - which is where we need your help. Coronation Hall is seeking volunteers who are able to give their time between August 9th - 11th and 16th - 18th, be it for a morning, afternoon, evening or more. We welcome individuals to help with tasks such as Shopping, Baking, Food Preparation, Car Parking, Hall/Table Decoration, Food/Drink Serving, Cleaning, Raffle Organisation, Tidy-up, and Front of House duties. Volunteers will work as part of a team and most importantly, we hope, enjoy themselves. Overwhelmingly our 2017 volunteers said it was fun and a great way to meet

#Plastic Free July

Have you heard of the #PlasticFreeJuly challenge? Living near the coast, if you have done a #2minutebeachclean or participated in an organised beach clean you'll be aware how much plastic is washed up on our shores. If you support our local Seal & Shore Watch, Wild Touch rescue centre or any animal sanctuary you will know how both land and marine animals are injured by ingesting plastic or getting trapped in ghost nets, fishing wire, frisbees, tyres etc.

The plastic bottles, bags and takeaway containers that we use just for a few minutes use a material that lasts forever. Much is down-cycled (made into low grade product for just one more use) or sent to

landfill; much escapes to become 'accidental litter' and ends up in waterways and the sea. Every bit of plastic ever made still exists. The #PlasticFreeJuly initiative challenges us to change our plastic consumption and encourage individuals, businesses and organisations to follow suit. Choosing to be part of the solution, you can act by:

- Avoiding products in plastic packaging (choose alternatives)
- Reducing where possible (opt for refills, remember your reusable shopping bags)
- Refusing plastics that escape as litter (eg. straws, takeaway cups, utensils, balloons)
- Recycling what cannot be avoided

If you have good suggestions for #PlasticFreeJuly please share with others. It is a hard challenge and until this way of life becomes the norm, may be more expensive, but if we work together we WILL make a difference.

Tommy is Home!

We would like to thank everyone in Edingthorpe and Edingthorpe Green for their help in searching for our lost cat, Tommy. He went missing on the Sunday 20th May and following our leaflet drop we had a number of calls with sightings and messages of

hope. We are extremely happy to report he returned home on Thursday evening, 7th June, slightly thinner but otherwise none the worse for wear.

Thank you again to everyone who searched their garden, shed and garage, especially the children from Edingthorpe Green (whoever they were) who phoned to say they had searched the area but couldn't find him. Thank you.

Gillian & David Beecroft, Edingthorpe

The Duke

What a shame. The last of our village pubs being turned into housing. Well, this was the impression I got at the parish council meeting from the

representative of the company that has acquired it. It rather sounded like a forgone conclusion to me. Do we not have enough planned housing already without closing the only pub? If all the planned extra housing goes ahead, surely there will be more need for a community meeting place, and where better than your local village ale house. The Poachers is a very warm and friendly place, but, unfortunately it is a bit far for walking for everyone, and of course driving is out of the question. I believe with the right people running it, it would become an asset to the village. It's a beautiful old building that needs to be kept as it was intended to be. Let's keep our pub.

Family resemblances can sometimes be quite striking. Who can forget the embarrassing 'You look just like your father', especially if you are a girl... Just today I was with two brothers who not only looked remarkably alike but also had extremely similar voices. Often, we 'favour' a certain

family member with a particular trait. Interestingly, even though we may not acknowledge God's existence, we share many family resemblances with him. The Bible says that we are made in God's image - many of his characteristics are shared by the people he made. So, we can be creative, loyal, loving and so on.

We were designed to connect with the God who formed us - the one who knew about us when we were in our mother's womb. He sees the family resemblance. Do you?

St Peter's Church, Ridlington

On the 8th of June, St Peter's hosted visitors from Australia, Dennis and Ann Bower, from our twinning church of St Marys, Montville, Queensland. We tried our best to make them welcome and hoped they enjoyed their visit.

The weather failed to reciprocate to our June service, 'Summer Praise', but even so Catherine and Margaret were able to brighten up the afternoon. Margaret spoke of changing attitudes to the Sabbath and how years ago it could be quite an austere day and not looked forward to when we were young. In contrast today, it is a day of family get-togethers and outings, really just as God intended 'This is the day the lord hath made; let us rejoice and be glad in it.

Our next service is 'A Service to celebrate St Peter' which is on the 1st July at 3pm. There is also a traditional evensong on the 15th at 3pm.

A reminder that we have an Open Gardens at Richard and Vanda's, The White House on 8th July. There will be tea, cakes and light lunches available with stalls selling produce, bric-a-brac, etc.

Ray Allcoat 651609

St Margaret's Church, Witton

On a beautiful summer evening when Norfolk was at its best, we gathered in the church to hear the choir, Double- Octave, perform for us. The setting was just

perfect and the acoustics in the church also could not have been better. After a quite magical Requiem by Gabriel Faure, we paused for some light refreshments before hearing Linda Bryan-Phelps, a very talented lady, sing solos from well-known Musicals, both poignant and much appreciated.

Just to make sure that the audience hadn't nodded off, there followed a real tongue twister which got everybody joining in - well trying to. Great fun and who would have thought that Sing a Song of Sixpence could be such a classical sound. All-in-all, a great

evening of music that we all enjoyed. We are so grateful to the members of the Double-Octave Choir for coming to our church to sing for us and also to those who provided the light refreshments. All the proceeds of the evening are to benefit our Roof Appeal so thank-you to everyone who took part. We hope to arrange another Musical evening later in the year, so watch out for details. Our next service will be Morning Prayer on 24th June at 10.30am. You will be most welcome to join us.
