Bacton & Edingthorpe Parish Council Meeting 9th June 2014

A presentation was made by Richard Cook, head of the NNDC Resilience team. The raison d'être of the team is to ensure that there are plans in place for emergencies and contingencies to allow communities to continue to function. The team is currently working on the establishment of a community group in the village to cope with emergencies. The team also strongly encouraged individuals and families to develop their own personal resilience strategy - namely a list of personal contacts, assemble an emergency kit, contingency plan for the family and a plan for pets. The police reported two punch ups in Bacton. It was noted that the verges and grass had not been cut making Bacton look "disgusting". However this is the responsibility of NNDC. For the village to do it themselves would mean an increase in the precept on an ongoing basis. It was felt

that this may be too much for parishioners to bear. The Sandcastles' Sensory Garden was again commended for its progress. The previous allocation of funds by the PC was agreed to be redistributed and additional funding granted to realize the conclusion of the project, Sandcastles now benefiting from up to £3,600 from parishioners. The official opening of the facility will be on the 5th July with Norman Lamb MP in attendance. The red telephone information kiosk on Abbey Street has been completed and will now be stocked with leaflets for the general public. The latest upgrading plan for the pavilion requires about £7,000 - £8,000 for implementation and grants will be sought for this. A request for the help of the PC to have The Old School in Edingthorpe locally listed with NNDC was tabled when it was admitted that the owners of the private home had not been consulted. (Well really?). A Councillor took exception to last month's report in the VN about the

machinations going on at Rainbow's End. He felt the report was not factual and did not refer to the history of the development since 1965. It was suggested that the VN should ask questions and check the precedents before writing. Another councillor said she had complaints that the PC was not taking the development of Rainbow's End seriously and this was in the main due to the reporting in the VN. These two views were not supported by the rest of the PC. Residents were advised by the PC at a previous meeting to write to the NNDC expressing their concerns, copy to the PC. No such letter(s) has been referred to in council meetings. A petition to NNDC was advised as not being effective by the councillor. However the PC wrote to the NNDC planning department on behalf of residents expressing their concerns. The reply received which has been posted on the website confirms that TingDene, the owners of Rainbow's End, are within their rights to progress the development. A new system of collecting bottles will come into force in the near future. Residents will have the option to put their empty bottles in their green bins or to continue to use the bottle bank at the village store and the Poacher's Pocket. Use of the village store bottle bank will bring revenue to the village (circa £500 to £800 per annum)

use of the green bin will produce no income at all for the villages. The loss of these funds may lead to the increase in the precept and less funding for good causes in the villages. The choice is yours

The next PC meeting will be on Monday 14th July 2014 at 7.00 pm in the Playing Field Pavilion.

In response to the remarks above, the VN observer can only report on what was said and discussed at any given meeting which he (or she) attends, not those that happened many years ago. He does not have the right to interject during council meetings so could not refute these allegations. Last month's report was genuine in its reportage as to what was said and discussed at that meeting. Councillors who are trying to represent the interests of residents in Rainbow's

Our year 6 went to visit their pen pals in London along with the year 6 children from Mundesley Junior school. They saw Buckingham Palace, Big Ben, and the London Eye before taking the Tube to Bruce Grove School in Tottenham where they stayed overnight and were treated to a Caribbean feast which was prepared by the parents of some of the children who attend the school.

Our younger children from class Seahorses visited the Dinosaur Park to see what they could find. Some of the pre-school children from Sandcastles also went along. Packed with waterproof coats, sun hats and packed lunches off they went by coach. I'm pleased to say that they had a fantastic day.

The whole school celebrated 'Health Week'. we looked at foods, sports and activities that would help to keep us healthy e.g. Karate, sessions with a health trainer from NCFC, healthy foods and fruits, smoothie-making, food-tasting, Frisbee games, a visit from Danny the greengrocer from Morrisons, a guided tour around Waitrose, and a visit from Nigel, the road safety man with Benjamin and Bethany bear (the bears were not real - phew!)

A huge thank you to : Mrs Fretwell from NWHS, Danny and Simon from Morrisons, who donated £20, Nigel, Bethany and Benjamin, Tesco, who also donated £20, Shotokan Karate, Waitrose, Sainsburys, who donated lots of fruit, and

Christine McBurney who organised it all.

Don't forget to join us to celebrate the Grand Opening of our children's sensory garden on SATURDAY JULY 5th. 12 till 2, to be opened by MP Norman Lamb!

We are holding an opening ceremony with refreshments and stalls to celebrate the new £14000 children's sensory garden, which has been financed by grants, donations and fundraising and all project-managed by the wonderful Leonie Hughes. Local tradespeople and volunteers have given their free time to make this wonderful dream a reality. Highlights of the garden include a living willow dome, mud kitchen, water feature & giant sand pit. The children are so excited and can't wait to enjoy the sensory garden which has taken us a full year of hard work and planning.

Come and join us and see our lovely preschool and its

PS. Following our refurbishment we have been cataloguing and sorting out old pictures, photographs and newspaper clippings. A few of these were displayed in the Hall but we found many stored in the cupboard which depict events in the history of the Hall. These will be displayed on a dedicated notice board in the Hall in due course. So far we are able to identify most of the people in the photographs and this information will also be displayed.

In the meantime, we would be grateful if anyone in the two villages who have any photographs or other

memorabilia, and would be willing to let us have originals (or copies), could get in touch with us and we can include these in our display.

Bacton Village Show

The next Gardening Club event is the Village Show on Saturday 30th August. If you want to enter forms are available in local shops and businesses and you should also receive a copy with the August issue of the Village News.

If you could help with the event it will be gratefully received. We will be booking in entries on Friday 29th at the Village Hall from 5:30pm and Saturday

30th from 9:30-11:30am, so volunteers to take entries or set out entries are required before judging at midday, as well as during the event between 2:00pm-4:00pm and after to help with the packing away and tidying up. Whatever help you can offer - a hand with the washing-up, setting out tables or hanging bunting, every little helps towards the whole event. If you would like to get involved, you don't have to be a member of the Gardening Club, please contact me, details below, and I will add you to the rota.

There are several new classes this year, including separate children's classes in three age groups, so the whole family can enter. This is a fun, family event, without lots of rules and regulations. The aim is for people to have a go and join in, catch up with other villagers and see all sorts of hidden talents on display - I can't wait to see the varieties of chocolate cake produced by Bacton's excellent bakers. Hope to see you there, any queries just call or e-mail

Book Club

The June Book, "Midnight Children" by Salman Rushdie, has been a hard read for a number of us - it is a set book for A Level this year,

I understand. I did manage to read the book and it did remind me of happenings not so long ago which have occurred in India during my lifetime so it was interesting to put History in perspective. The July Book is "Lucky Break" by Esther Freud, a lighter offering. If you would like to join this group please just turn up on Thursday 26th June, 2pm Main Room, Village Hall, you will be very welcome.

Craft & Create

June's meeting was a very lovely, if slightly hot, meeting, where some of the group learned to crochet and others continued with 2D needle felted pictures. Our July meeting will be a combination of beginners knitting, crochet and needle felting.

If you would like to come along, please contact me using the details below. The cost is £2 per session, plus additional costs for materials used that session (these will vary according to the projects). If you have a craft skill you would like to pass on, please get in contact!

Our next meeting is on the 10th July at 7.30-9pm at Witton & Ridlington Village Hall

Bacton Open Gardens

What a wonderful event we had on Sunday 15th June. The weather was cool but dry, just right for walking around the many gardens open for visitors. We had many wonderful comments about all of the gardens, especially the variety of styles and types on display. The scarecrow trail was a great success and many people have already started planning their scarecrow for the next one. It was lovely to see so many

people - friends, residents and new visitors - and the day was a success. Many thanks to all who opened their gardens and worked hard to get them in such tip-top condition. Thanks also to those who organised the scarecrow trail and the competitors for entering and great thanks to all who helped organise the event and manned the stalls and provided the refreshments, without such hard working volunteers these events just couldn't happen.

Learn To Draw Your Own Horse

2nd/3rd August, at Point House, Mill Common Road, Ridlington, featuring David 'Mouse' Cooper, a leading Newmarket-based equestrian artist, whose exceptional ability to capture both portrait and motion detail of the horse on canvas is derived from his previous experience as a Newmarket-based jockey. His passion for horses extends to exceptional skill in the art world, earning him exhibits in the pre-parade ring at the July racecourse, and published work in the form of the cover pages for Newmarket races programs, amongst many others.

A patient and quietly spoken man by nature, Mouse has the professional and personal ability to help ALL LEVELS of budding artists achieve their goals, from complete beginners to advanced commercial level and is looking forward to meeting and tutoring anyone interested in joining our forthcoming art weekend, where all will be warmly welcomed.

Whether you own your own horse, or simply have a passion to capture the beauty of horses on paper, come and join us for these one-day specialist classes. For those who prefer painting other subjects, Mouse will be offering tuition with landscapes and other animals, particularly dogs.

There are morning or afternoon sessions, each lasting 2.5 hours, to include ploughman's' lunch or sandwiches and cream teas. Suitable for total beginners or advanced level

Trunch Concerts

On Saturday, July 5th is a performance by the Norwich Baroque Quartet. The programme includes music by Handel, Vivaldi, Purcell and Falconieri. More details on:

www.norwichbaroque.co.uk. This concert follows on beautifully from our Corelli tercentenary celebration last year by The Orchestra of the Age of Enlightenment, with the NBQ performing Vivaldi's interpretation of the Folia theme which Corelli was the first to make so universally appealing. Extensive details of the programme and biographies of Jim O'Toole, Liz Skinner (violins) Philip Trzebiatowski ('cello) and David Morgan (harpsichord) can be read on the Village News website

On Saturday, August 2nd, we welcome a young pianist, Kenneth O'Neill, with strong connections to North-East Norfolk, who has enjoyed success in major European piano competitions and has already broadcast in Australia, while completing post-graduate studies at the Trinity-Laban Conservatoire of Music and Dance in London. Kenneth's recital will include Schubert's Wanderer Fantasie and Liszt's Second Ballade

On Saturday, August 30th we were to have had another recital from Debussy-prize winner, Anda Anastasescu. Unfortunately, due to a double very close bereavement, Anda is indisposed. We now have a change of performers and programme and welcome heartily Genevieve Usher (soprano) and Chris Underhill (piano). To keep some of Anda's original programme, Chris will play the Piano Sonata, Op 26, by

Beethoven and Schumann's Faschingschwank aus Wien, a lively portrait of the waltzes and swagger of the Viennese carnival season. Genevieve will be singing songs for the stage and concert hall by Mozart, Puccini, Gounod, Delibes, Strauss and Edward German. I'm sure those who have enjoyed Anda's playing in previous seasons will join us in wishing Anda every strength in coming to terms with her great loss. Biographical details of Genevieve and Chris are also included on the Village News website.

Organ Recitals at Saint Nicholas' Church, North Walsham

Come and hear our renowned organ put through its paces every Thursday lunchtime in July and August by a selection of local and nationally-acclaimed organists. The music performed will be accessible for a 'non-aficionado' audience. For example, my own recital will include a large number of items from musicals such as Miss Saigon and Les Miserables! Each recital takes place at 12:30 and will last for 45 - 60 minutes. A selection of drinks will be available, and you are invited to bring your own lunch to share with friends

July programme:
3rd - Matthew Bond (Wroxham)
10th - Philip Adam (Sheringham)
17th - Carol & David Shippey (Cromer) (Soprano, Piano & Organ)
24th - David Ballard & Joe Annison (N Walsham) (Tenor & Organ)
31st - Mike Webb (Langley School)

In her private moments she was often to be seen walking in the bounds of the village, appreciating the countryside and enjoying wildlife particularly the birds.

When her brother retired, Rosemary and Chris moved to Trunch where she continued to join in village activities as she had done in Bacton in her quiet, unassuming manner. May she rest in peace.

How lovely to see Happisburgh Church so full for Rev Catherine Dobson's Induction recently, a lovely occasion for the Coastal Group to come together and celebrate the beginning of a new chapter for us all. We wish Catherine and her family every happiness for the future.

St Andrew's held their Annual Church meeting in April with a look back at the past years activities etc. Brenda Gallant and Hazel Tudman were re-elected as Church Wardens and Daphne Medcraft as secretary. We thank them, and all PCC members for all they do for St Andrew's.

It was nice to welcome quite a few visitors to our All Age Worship service on Sunday 11th May. Continuing the story in Acts of Paul's journeys we watched him brought to trial, defending himself against accusations of being a troublemaker and causing riots.

We welcomed to St Andrew's recently residents

and visitors to view flower displays, remembering those who served in WW1. We were pleased to sell out of home - made cakes and sold lots of bric-a-brac and books. Many thanks to everyone who helped, donated goods, purchased items and enjoyed tea/coffee it was much appreciated.

Advance notice from Mary Smith, there is to be a garden sale at 'Lockholme' with 'Cedar Bungalow' in Bacton on Sat; Sept 13th 2-4pm. Offers of help will be valued.

Visitors are always welcome.

Did you know that in Amsterdam about 7,000 bikes are dredged from the canals each year? At least that is what the tour guide claimed, and looking at all the bikes in the city you could believe it! Without the dredging the larger tour boats and other vessels could not go about their business.

We all have things in our lives that affect our ability to function to an optimum level. From time to time we de-clutter - we get rid of the junk - we dredge. And for a period, things improve. But after a while we have to do it all again. God says that He has removed our sin from us as far as the east is from the west. That's the ultimate clean-out and it's permanent if we come to God on His terms. Check it out and see what difference a once-for-all dredging operation can make. Sundays @ 10.30am. Bring your old bikes.
