WHITE HART INN, ASHBY-DE-LA-ZOUCH,

At a general affembly of propietors of the Afthy-de-la-Zouth Canal, held this day, purfuant to the directions of the act of parluament parfed for the making of the find Canal,

THOMAS KIRKLAND, M. D. in the chair, T appearing from the report of the committee day, that great inconveniences have arifen and the further occasioned to the works, from the indulg-which has been given to those proprietors who have paid up their calls,—

paid up their calls,—

Refulered unanimessfty,

That the committee do from time to time give directions for the committee do from the profiters in arrear, at at all the committee do from the profiter arrays, that the works may be the recovery of the arrays, that the works may be the profiter of the committee and the works may be the proprietors of the intended Commercial Canal, and the answer given to them by the committee, at an art the answer given to them by the committee, and the answer given to them by the committee, and refusely, that they do cause a petition to pythiament to be prepared, and the common feal of the company affixed therete, in favour of the faid canal.

THO. KIRKLAND, Chairman.

## Friday's Mail.

LONDON,-Thursday, Oct. 13.

Friday's Mail.

LONDON,—Thurfday, O.B. 13.

E have now the fatisfaction to announce the fast arrival of the whole of the Jamaica Fleet, under the convoy of the Interjed, Malabar, and Weymouth men of war. All the London fhips are fuppoled to have reached the Downs yetlerday. The fleet has been eleven the convoy of the Interjed, Malabar, and has me with much bad weather.

The Saint Jaques, a fhip of the line, is arrived at Cadiz from Vera Cruz and the Havanna. The division has on board 5,786,548 pisitres, and about four milliards in copper, fagar, coxot, coffee, &c.

The Recoubt floating battery, folong fimilar to the harbour of Shields, and all other veffels of that defeription on the coast, has this week received orders to join the fleet of Admiral Macbride in the Downs.

The Spanish Ambsfindor's furniture and effects are all on falle. The Spanish Conful and Charge d'Affaires, M. Las Heras, have taken their passings on board the neutral fhip Zeeluf, Captain Janleas. The Ambsfiador will follow, if his health permits.

On the toject of an invasion, a French paper flates, that nothing could be more improbable at this seado of the year.—"The attempt (it obdives) would be to facrifice all the men who will be supposed to the coast, if they escape that this seado of the year.—"The attempt (it obdives) would be to facrifice all the men who will be supposed to the coast, if they escape the waste them on the coast, if they escape the work of the part of th

exercife to be on Sunday after Divine Service.
Yetherday a poor lunatic came to the Public-Office, Bow-fireet, to furrender himfelf up to justice, for destroying the whole of the Royal Family, and upwards of a thoufand people, by throwing them into the Thames off Blackfriarsbridge, on Sunday last.

Mr. Ingall, house-steward and butler to the Dowager Lady Webster, at Battle Abbey, and in the ninety-second of his fervitude in that family; indeed, for several years past, his fituation cannot be called servitude; for so indulging and humane is Lady Webster, that he does whatever he pleases, and her orders to all the servants are to humour him in every thing.
