

Hollybed Farm: The Orrels (SO 830 410) 2013

Thursday 18th July, 2 pm – 4.30 pm approx. Weather very hot (around 30°C) and sunny. The woodland and scrub area - the Orrels - was generally very dry although still damp near the stream. The list below includes plants from both the wet shady area and the open, sloping grassland and shrubby area towards Little Seeds.
