

Over 18's trip to South Africa 2019

There is a chance for over 18's who are members of Girlguiding Sussex Central County to go with the Coco's Foundation to see the houses we have already built, build 2 more houses and visit the community in South Africa. We can take 8 members on the trip. The dates are 12th to 28th September 2019. Cost will be £2,500.

All the leaders and girls have had a great time on the previous trips, seeing the sights and helping the families who greatly need a home to live in, we are planning on doing another trip with girls in 2020.

Closing Date: Saturday 15th December 2019
