

What to wear outdoors

Dress Ellie sensibly for the following activities:

- A games evening in the local park in summer
- Pond dipping in a shallow pond
- A day trip to a local attraction, e.g. a castle
- An afternoon hike on grassland and gentle hills in spring/autumn/winter/summer
- An all day hike on the South Downs in autumn/spring/winter/summer

What other equipment would you expect Ellie to have for these activities?

Could you adapt this idea for use in your Unit?
