## Welcome to the first edition of the St. Nicholas with Bonvilston Community Council Newsletter

There are lots of exciting things happening in our small community at the moment. We have lots of new neighbours (hello!) and we have recently heard that the St Nicholas Church in Wales Primary School will be getting a new school building and, at long last, a nursery class.

The intention with the newsletter is that we can share things that are going on. This way we can keep each other informed. We'd love to hear your news. We'd love to hear from community groups.

**Cllr Emma del Torto**  
**Acting Chair**

## Community Council Financial Assistance Programme

Do you run a group or are you part of an organisation within the community who would benefit from a small grant? The Community Council has recently adopted a new Financial Assistance Programme which can be found on the Community Council website:

## Community Council Action Plans

Following the recent Council meeting on 13.05.19, the Council formally adopted the Action Plans for both St. Nicholas and Bonvilston:

<http://www.stnicholaswithbonvilstoncc.btck.co.uk/ActionPlans>

Councillors are busy working on individual tasks taken from the Action Plans and are required to provide updates at each full council meeting. The Action Plan is a live document which is published on the Community Council website. Updates will be added to the Action Plan following each meeting so that the public can view the progress made by the Council.

The Action Plan is a result of the consultations held between the Community Council and residents in 2018 and all actions have been established using feedback provided by residents. Should you wish to contact a Councillor to discuss projects listed on the Action Plan, you will be able to find contact details for all of our members on the Community Council website.

Alternatively, please contact the Clerk for more information.

The Council always welcomes your feedback; please contact the Clerk to pass on your thoughts, which will be shared with the rest of the Council.
