

Elderbank Primary School / and Early Years

24th February 2014

Dear Parents and Carers,

We were delighted to have over 200 responses from parents and carers to the Uniform Consultation. The Interim Parent Council met on Thursday 12th February to discuss the responses.

The information from the Interim Parent Council was represented at the Working Group Meeting on the 20th February. The children in the three existing schools had also conducted a separate survey and brought this information to the Working Group Meeting.

After a very productive discussion, which also considered school colours in neighbouring schools and schools in the Greenwood catchment area, it was agreed that the school uniform would be-

White Polo-shirt or Shirt

Black Trousers or Skirt

Bright Blue Sweatshirt

Bright Blue, Aqua and Silver striped tie

The Early Years sweatshirt will be red.

The Interim Parent Council are meeting on Thursday 27th February to select a uniform supplier and the information will be distributed when this decision is made. The criteria for choosing a supplier will be quality, convenience, and cost. In conjunction with the Interim Parent Council I am meeting with suppliers to investigate the possibility of Elderbank stocking uniforms on a not for profit basis to provide a service for parents and carers.

I trust this information is helpful and I am looking forward to working with you.
Kind regards,

Jacqueline Robertson
Head Teacher
Elderbank Primary School and Early Years
