Dear Parents and Carers,

As promised we are offering Parent Information Workshops relating to-

- Mathematics and Numeracy
- Literacy and the new 'Bug Club' reading resource
- Supporting your child with Homework and our Promoting Positive Behaviour Systems.

The three sessions which are being offered will be delivered on the following dates-

The first event is on **Tuesday 11th November** and this will be led by the **Primary 1 and Primary 2 staff**. Some Primary 7 children will also provide examples of their work and show the progression from Primary 1 to Primary 7.

The second event is on **Thursday 20th November** and this will be led by the **Primary 3, Primary 4 and Primary 4/5 staff**. Some Primary 7 children will also provide examples of their work and show the progression from Primary 3 to Primary 7.

The third event is on **Thursday 27th November** and this will be led by the **Primary 5, Primary 6 and Primary 7 staff**. Some Primary 7 children will also lead part of the sessions and demonstrate how they learn.

The main themes of the workshops will be similar at each event. Therefore we anticipate parents and carers would choose a stage to attend if they have children in different stages across the school.

Each event will have a similar format-

Workshop 1 – 6p.m. – 6:25p.m.

Workshop 2 – 6.30p.m. – 6.55p.m.

Workshop 3 - 7.00p.m. – 7:25p.m.

At 7:25p.m. tea and coffee will be available and there will be an opportunity to informally chat to the staff delivering the workshops.

It would be much appreciated if you could indicate whether you wish to attend and which workshops you wish to participate in. We would be grateful if you could return one reply per family.

The workshops are adult only, but if you are struggling for child care there will be a DVD and supervision in the Main Hall.

We look forward to welcoming you to our workshops in Elderbank.

Kind regards,

J Robertson
