**Extraordinary Meeting held on Tuesday 12 July at
20.45**

Proposed Purchase of new Carpet

Committee:	Ken Smith	Chairman Captain Webmaster
	Brian Dixon	Vice-Captain
	Jan Olley	Treasurer
	Pat Hood	Secretary
	Phyllis Gilbey	Tuesday Representative
	Bill Mackay	Thursday Representative

Members present:

Roger Bacon	Don Bright	Jean Cloughton
June Facey	Rita Gibson	Mike Hart
Brenda Phillibrown	Enid Smith	Val Todd

We monitor the suitability and state of all our equipment and it has become clear that the carpet we know as MAT 2 is reaching the end of its useful life. We bought the mat second hand but it has lasted very well. The backing is breaking up and the top surface is ridged.

The matter was discussed by the members and committee who were present, and it was unanimously agreed that we should buy a new carpet.

We have looked at carpets and will select a suitable one to buy. The cost is around £900, including VAT and delivery.

Jan has confirmed that we have sufficient funds in the club. The new range of carpets are basically Medium (to fast) pace or Fast, with variants that include foam back, latex back or additional felt layer to improve durability.

(When we tried to vacuum our carpets a couple of weeks ago, we found that our extension lead has gone missing. Does anyone know where it is?)

The meeting concluded at 20.50

I have added a possible supplier and carpet on the next page.....
