GARDENING CLUB QUOTE OF THE MONTH:

Each Spring a gardening instinct, sure as the sap rising in the trees, stirs within us.

Lewis Gannett

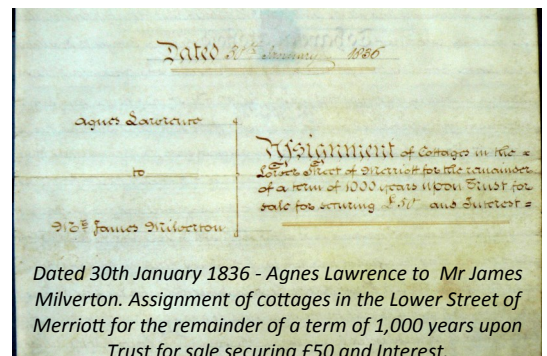

THE MERRIOTT HERITAGE TRUST

It is a little over a year since Cathy Herriman left a generous legacy which she wished to be used for the preservation and enhancement of Merriott's built and natural heritage and for further research into the history of the village. She wished her Executors to establish a charitable Trust, the Trustees of which were charged with using the endowment for these purposes – a lasting gift to us all from Cathy, whose interest in the history of Merriott, its buildings, institutions and its families was well known.

Our first Annual General Meeting is imminent and although there is little visible activity, the Trustees have been busy. Most importantly, the Deed of Trust, the governing charitable document, had to be drafted. Fortunately some of the initial Trustees had already experience in doing this themselves. The Deed had then to be registered with HMRC before Cathy's estate could be wound up and the money released. Our chosen bank put many obstacles in our way and it was September before the Trust had an active bank account. We never were given any explanation for this delay but at least the Trust received some recompense for its troubles.

Apart from this essential administrative activity, Cathy's extensive library of historical books has

been reviewed and carefully stored for the future when the planned archive room has been set up. Cathy's own research documentation has also been annotated and filed away safely for future reference. Two particular items of great interest were gifted from Cathy's effects. One was a notebook in the hand of William Fitchett Cuff of Moorlands, containing his assessment of land ownership and tenancies for part of Merriott in 1838. This was his contribution to the Tythe Map and Apportionment of 1842/3. The original is fragile so the contents have been carefully extracted and copied for study by interested parties. The 2nd important set of documents were the deeds for Cathy's house, No 6 Lower Street, which were passed to the Trust by its new owner Sean Hudson.

Dated 30th January 1836 - Agnes Lawrence to Mr James Milverton. Assignment of cottages in the Lower Street of Merriott for the remainder of a term of 1,000 years upon Trust for sale securing £50 and Interest.

HISTORY ON VIEW IN MERRIOTT BY MARION BIGGS

As you walk round Merriott you may have noticed several large boulders. This one by the churchyard is probably the best known and has been worn smooth by generations of

children climbing over it. There are also examples in Hitchen and two in the garden on Broadway near Knapp, one of which is shown below.

These two were found during building work at Nut Tree Farm and moved to their present site by the builders. Their geological origin is a matter for conjecture, particularly as they are so smooth and rounded. It has been suggested they could once have been used as boundary stones.

One of two large boulders in the garden on Broadway.

BROADWAY GARDEN SPRING TIDY UP A MAY DATE FOR THE DIARY

You are invited to join a working party on **Sunday 8th May** at 10am to help tidy up the Broadway Garden in Merriott. This previously ragged piece of space has over the years been turned into a very pleasant garden, thanks to the wonderful volunteers who have given their time and energy. There was a good response to the Autumn tidy up and I hope that you will be able to come and join us next month. Please wear suitable clothing and shoes, bring some tools and a drink. We look forward to seeing you there, rain or shine!

Crewkerne & District Museum will open for the new season on Easter Saturday. The first special exhibition of the year "Crewkerne's Architecture - the Economic Driver" looks at why we have certain buildings in the town and how the town grew at particular periods in time. During the 2 weeks of Easter school holidays there will be free activities for children at the museum on Wednesdays, Thursdays and Fridays from 10am - 4pm. The exhibition is open from **26th March - 4th April**. There is always something to keep children busy at the Museum and plenty to interest adults too.

Continued from front page:

This provides ownership details not only for No 6 but also for some of its neighbours dating back to 1824. The old documents were difficult to read and interpret and these have also been carefully extracted so that they too can be examined easily by researchers who have a particular interest in the Lower Manor of Merriott.

During the year, the Trust obtained a copy of the Tythe Map Apportionment from the National Archives to go with the map, which Cathy had already had copied. Anyone interested in the Merriott land and property ownership of that time will be able to study these documents without having to make the trip to the Somerset Heritage Centre in Taunton.

A great deal of research into the history of "Osborne's Cottages", Nos 35 to 39 Lower Street, was carried out by Pat and Tony for Mike and Moiya Davies in order to try to confirm the leaseholder(s) of the 1,000-year and the 300-year leases which still applied to their house. They have kindly agreed that the resulting comprehensive report can be lodged with the Trust.

We await the restoration of the two surviving items of farm machinery, which Cathy rescued from Moorlands Farm before redevelopment of the site. She was most anxious that these should be the first items acquired for the MHT "museum" of local artefacts, which she hoped might be set up one day. The Winnower and the Scratte are in safe storage, next to a substantial Somerset Haywain, which was made by Tony's

great-grandfather William Cummins of Bridgwater.

Not all Cathy's legacy was invested. A small proportion was retained for our initial and immediate needs so, in addition to having the farm machinery restored, we are pleased to be able to support the publication of Paul Fisher's "The Hidden History of a Living Church" and would recommend this to anyone interested in Merriott's history.

We look forward to a successful second year and would welcome interest from any residents of Merriott. Please do not hesitate to contact us by phone (Hobbs on 72465 or Stuttford on 72806) or by email merriott.heritage.trust@gmail.com

Trustees: A.E.W. Hobbs, M.P.G.Hobbs, J.R.Stuttford

Recent surfacing work
on the path off
Moorlands Road.

A reminder that the next Village Footpath Walk organised by the Merriott Footpath Group will be on **Wednesday 27th April**. Please meet outside the Pharmacy at 10.30 am.

With the coming of spring we hope the footpaths will start to dry out and become easier to walk. Vegetation will start to grow again, so please remember to take your secateurs with you and snip off any over-hanging brambles etc. If you come across any obstructions or heavy overgrowth please let us know via our email merriott.fg@gmail.com or phone me on 73158.

If you walk the path off Moorlands Road you will be aware of the recent work carried out to improve the surface. Our thanks go to County Rights of Way team for arranging this work.

There are several issues that we are working on in conjunction with the Parish Council and County RoW and we hope to see beneficial results during the summer.

DOG MESS

Chris Rowlands, who is the SSDC Dog Warden, has received numerous complaints recently through the online reporting system about dog mess around the school. He visited the site, but didn't see much evidence of it.

He says it is difficult to catch the people responsible as he is unlikely to be in the right spot at the right time, but that he would ask:

- responsible dog owners to pick up after their dogs, noting that it is harmful to children and a problem around the school (top of Hitchen and outside the Tithe Barn) and
- that anyone who witnesses it should contact him on 01935 462462 to report the type of dog, descriptions and anyone they recognise who does not clear up after their dog as he can then start to take action.

All dog owners are asked to be responsible and clear up any mess caused by their animal wherever it is.

Crime Update

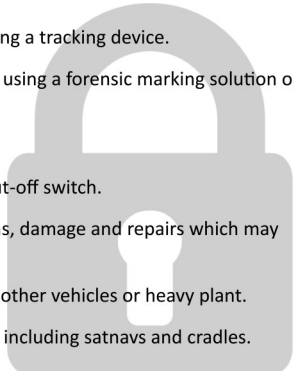

Land Rover Thefts

Land Rovers, regardless of age, are one of the UK's most regularly stolen vehicles, particularly the Defender. Many are stolen for parts, others are stolen to order and rapidly exported. In the last six months we have seen a rise in thefts in the Avon and Somerset area. This may increase again now the Defender has been discontinued. Take steps to protect your vehicle:

-  Where possible park in well-lit areas, which are overlooked.
-  Do not leave keys in the ignition or anywhere else where a thief will easily find them.
-  Fit a mechanical immobiliser such as a Thatcham approved steering lock, pedal lock or wheel clamp.
-  Fit an alarm for added security and consider installing a tracking device.
-  Thieves will target component parts, so mark them using a forensic marking solution or permanent marker.
-  Etch windows with the registration number.
-  Consider fitting a hidden battery isolation or fuel cut-off switch.
-  Take photographs of unusual features, modifications, damage and repairs which may aid identification if stolen.
-  If possible, keep in a secure garage or block in with other vehicles or heavy plant.
-  Ensure any valuables are removed from the vehicle including satnavs and cradles.

If you have any information relating to Land Rover thefts, please contact Avon and Somerset Police on 101
Alternatively, call Crimestoppers anonymously on 0800 555 111

FOR MY EYES ONLY?

BY JANET LAILEY

A high mile away, motor cycles bray.
Cars growl along, headlights glinting.
Nearby, three bags of rubbish
Slump in a muddy gateway
Alongside broken bricks and tiles
One benighted crow
Is hunched on a wire.

As the gold coin of the sun
Slips down into its slot below the horizon
A wedge of rose-red rays springs upwards,
Tickling the comfy grey clouds
Into a blush. A lush crimson curtain
Spreads across the dusk,
Slashed to show purist turquoise.
Poplars with mistletoe pom-poms
Stand against the fading day.
A wren tries a last trill in the hedge
Answered by a cock-cock-cock pheasant.

No-one else sees my sunset,
My still poplars, my upright ash-twigs,
My lit puddles –
Nor hears my trilling wren.

NEWS FROM ALL SAINTS CHURCH

A New Choir

We are delighted to have found someone who can lead a new choir for our village churches. The initial idea is to meet fortnightly, to enjoy learning to sing together and to sing at occasional special services in our churches. This choir is open to everyone, whether or not you usually come to church, both children and adults. It won't be very formal and the main idea is to have fun singing together.

If you are at all interested, please contact Bob or Julia Hicks (01460 76406) for more details or come along to Merriott Church at **7pm on Thursday 5th May** for the very first sing!

Electoral Roll

The Church Electoral Roll is about registering the level of support in the local community for the Parish Church - nothing to do with the Local Government Electoral Roll. This is very important, so we would encourage as many of you as possible to enrol. It is a bit like saying, yes, I have a commitment to my local church - even if you don't often or ever come to services there! It also brings an entitlement to vote at the APCM (on 27 April - see below). In simple terms, to be eligible, you need to be a member of The Church of England, have been baptised and be over the age of 16 - AND EITHER live in the parish OR have habitually attended worship in the parish

for at least six months prior to joining. Forms are available from the Electoral Roll Officer for Merriott, Gwen Blunn (01460 72704).

Annual Meeting

Our APCM (Annual Meeting) is at 7pm on **Wednesday 27th April** in the Tithe Barn. You are warmly invited to come along to hear what the church has been doing over the last year, and what is planned for the future.

THE CHILDREN HAVE BEEN BUSY

Merriott First School invited Ashlands School in Crewkerne to play a friendly football match in the Spring term. The game was well played by both sides with Merriott coming out the winner on this occasion.

Some children attended a cross country event in Yeovil. The boys' team finished fifth of more than twenty teams. The girls ran well but there were too few to form a team. All the children enjoyed the run.

Mothering Sunday was celebrated in early March. Year 4 ran a Bring and Buy stall and wrapped the presents brought by children throughout the school for their mums. All

the presents had been donated by parents in the run up to the sale. This event raises funds for The Friends of Merriott First School (FOMS).

World Book Day was a good excuse to dress up for the day and Redstreak Class came in representing their favourite characters (see photo).
