PUTTING THE MMMMM INTO MERRIOTT!

Two local mums with a love of baking and socialising are starting a pop up cafe in Merriott.

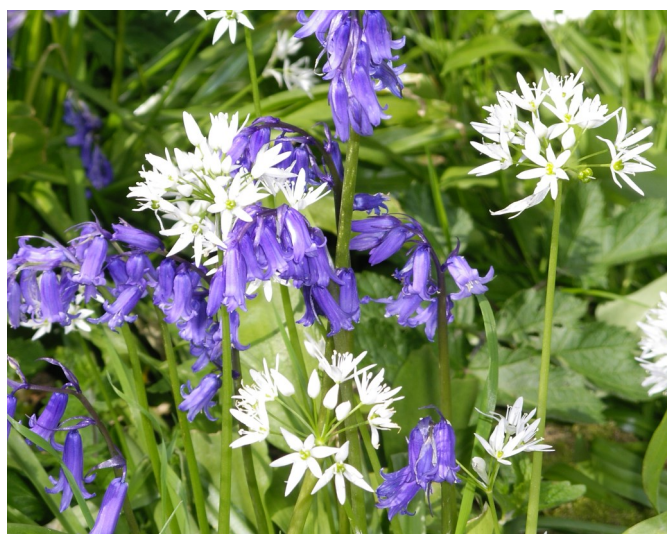

The Village Cafe promises to produce delicious food using local and home-grown ingredients. It's not what you might expect from a village hall.....we hope to delight your taste buds with tried and tested... then tested again recipes that we are really passionate about. All the food is handmade with love and an attention to detail that we hope will leave you wanting more!

We want the Cafe to be a place where people can meet, eat and socialise. We plan to offer a selection of cakes, light lunches and drinks from **10.30am to 1.30pm on Friday 22nd May**. If it is successful we will consider making it a regular event so please support us. Let's put the mmmm into Merriott!

Sample menus and updates on our preparations can be found on our Facebook page the Village Cafe Merriott so please feel free to be nosy.

See you there.....

BOWLING CLUB MEMBERSHIP

The Bowling Club green opened in April for the 2015 season. Bowling is a great sport and in Merriott we have a successful and friendly club who are always willing to welcome new members.

Why not give it a try this year? It doesn't matter if you have bowled previously or are a complete beginner, you will be made welcome. You don't need to provide any equipment but we do require bowlers to wear flat soled shoes, trainers will do to start with.

The membership fee for this year is £10 for those new to bowling and £20 for those who have previously belonged to a bowling club. Juniors, under 18 in full time education, have free membership.

If you would like to give it a try please come along on any Tuesday afternoon in May at 2pm. There is no obligation just an opportunity to try bowling and find out about the club.

If Tuesday afternoon is not suitable for you please phone Chris Woods on 01450 76294 and we will arrange a time convenient for you.

There's no better sport when the sun is shining so come along and try it.

MOORLANDS FARM DEVELOPMENT UPDATE

The Moorlands Farm Development in Broadway is beginning to take shape with all of the groundworks for phase one nearing completion. Work on the existing barns within phase one is also progressing well. The specialist civil engineering company responsible for the major drainage and highway works serving the development has begun work. The first timber frames for the new low energy homes will be erected in early May.

Clipper Development Partners continue to work with the Parish Council and the Merriott Pharmacy to progress ideas and expressions of interest in the surgery. We remain confident that the need for the surgery will drive this to a successful conclusion.

VISIT TO EXETER CATHEDRAL

Following last year's visit to Wells, All Saints Church is planning a coach trip to visit Exeter Cathedral on **Thursday 17th September**.

The plan is to leave Merriott at about 11.00am and leave Exeter after choral evensong at about 6.30pm.

The cost, if both a floor tour and a tower tour at the Cathedral are taken, will be £20, including the coach. If, however, you do NOT wish to do either or both of

the tours the cost will be adjusted accordingly.

Please contact Jean or Dave on 01460 279654 if you wish to take advantage of this trip indicating your preferences as shown below.

Coach plus floor tour only - £15

Coach plus tower tour only - £15

Coach plus both tours - £20

NEWS FROM ALL SAINTS CHURCH

All Saints churchyard is particularly beautiful in Spring and if you wander around to the back of the church you will find something new. The Scouts, Cubs and Beavers have installed bird boxes and bug hotels, most of which they have made themselves. They've also helped us with a substantial tidy-up, so many thanks to them and everyone who helps to look after this special place.

Children and young people have been an important part of our Easter celebration this year. The school service, with its shadow puppet version of the Easter story was amazing and also very moving. I could watch it again! On Good Friday

there was more creative drama and making of Easter gardens, cards and biscuits which we all enjoyed.

Quite a lot of us have been working on a plan for the churches in our Benefice, including All Saints. Our aim is to think ahead about the next few years and about what we want for our churches, for ourselves and our community. We are at the early stages of discussing our ideas with a wider audience, so please see further information in church and the Link magazine. We would value your comments and suggestions.

NEWS FROM THE SWAN

A few issues have gone by without news from The Swan, but we are still hard at work striving to keep the village pub going which, at present, is proving to be a much harder task than expected. Since Christmas, we have had little opportunity to hold events in the pub without dividing loyalty in the village and our latest setback is that we have been badly let down by a 25 piece swing band for our proposed 70th VE Day celebrations on 9th May. Consequently, we have had to cancel the event. We also sorry to inform you that we will no longer be serving food Monday to Thursday due to high cost incurred from lack of demand for our fresh food. We will, however, still serve fresh home cooked food Friday, Saturday and Sunday and we will still be able to accommodate bookings for functions and parties etc. Please note the garden is now open again for summer. We are dog friendly for friendly dogs!

Owing to personal and health reasons we are reducing our opening hours as follows:
 Mondays & Tuesdays: 6pm to 10pm; Wednesday: 6pm to 11pm; Thursday: closed; Friday, Saturday and Sunday: 12 noon to 1am.

Annual Flower & Produce Show – A message from the Committee

The Committee regret to announce that at this year’s Flower and Produce Show there will be no section for children. It is appreciated that this will cause disappointment, but in the past few years there has been little response to our invitation to the children of Merriott to exhibit at the show. However, we would like to thank the small number of talented children who have supported us.

National Plant Monitoring Scheme

Ragged Robin

EVERY FLOWER COUNTS - VOLUNTEERS NEEDED FOR ANNUAL STOCK TAKE OF UK'S WILDFLOWERS

The new National Plant Monitoring Scheme (NPMS), launching in spring 2015, will for the first time enable scientists to take an annual stock take of the UK’s wild plants and their habitats,

but to do this they need the public’s help. They are looking for volunteers to carry out surveys of wildflowers and their habitats that will provide robust evidence of which widespread plants are increasing or declining, as well as indicating the changing state of our most valued habitats such as grassland, fenland and even road verges.

Plants are nature’s building blocks and this new monitoring scheme will sit alongside existing schemes for the UK’s birds and butterflies to help them, and us, understand more about how the countryside is changing.

For more information on the NPMS and how to take part please visit www.npms.org.uk or contact Hayley New on 07741 314155 or via email: Hayley.new@plantlife.org.uk

“I DON’T BELIEVE IT” by Marion Andrews

I have been hacked and scammed.
By relaying my story I hope to alert ALL OF YOU as to how easy it is to be momentarily distracted enough to be taken in and progressed along the road of disaster

One recently sunny morning I was working on the Parish Council computer, the telephone rang (I do have caller ID but didn’t check it) and the voice said “I am from Talk Talk (my provider). We believe you have been experiencing problems with your broadband”.
“Yes, indeed I have”.
“Go to your computer and switch on. I will take you through some easy steps that will help identify the problems”.
“I am working on my computer now, what do I need to do?”
“Click on the flag on the left of the keyboard and the letter R”, and a few other similar instructions were given.
This simple mistake meant that within a very short time they had control of the computer. I couldn’t use the cursor and I

could see the files flying over the screen. It didn’t feel right and I kept saying “I hope this is not a scam”.
“No madam we will soon know the problem. Yes, you need a new Router. We will be sending a new one tomorrow and we are sorry for this inconvenience so we are paying you £200. You pay by direct debt so we have your bank details, please enter your details, you do not have to give me any information and I cannot see what you are typing”.
“I don’t like this; I don’t want to give you my bank details.....”
“Madam, you do not want £200? You will see the money enter your account. It is not a problem”.
I was feeling sick by this time knowing that the computer contained the Parish Council business and all the financial information I was needing for the end year accounts panic.. just do as he says.
Indeed I did see money enter my account – not £200 but £5,000!
“Madam we have made a mistake you

must repay us the £4,800 immediately. This is what you must do”.
I was given a name, an address and bank account number in Canada and a telephone number to send a bank draft. NOW I REALLY KNEW THIS WAS A SCAM.
At this point I just kept saying in a hysterical manner “Give me back my computer, I am not doing this.....”
Fortunately, I did get the cursor back and immediately closed down everything and switched off the computer.
I telephoned my bank and they secured my account and they told me that my own money had been transferred from a savings account into my current account and if I had progressed with sending them a refund then it would have been my own money – THE SCAM!
Phew, no money lost!
The next urgent response was to get the lap top cleaned so THANK YOU Allen Computing for reinstating the Parish Council computer.
This experience has left me feeling embarrassed and vulnerable.

MERRIOTT PARISH CIVIL BURIAL GROUND

This area is the responsibility of the Parish Council to regulate, designate and maintain to the recommended standards for such public areas so there is available to you a defined criteria of expectations. All funeral directors and stone masons liaise with the Clerk of the Parish Council and they have copies of the criteria which they share with families.

A recent inspection has highlighted that the burial ground is in need of some sensitive upkeep so as to maintain it to a standard that is acceptable for all users.

This means families need to be reminded of the INTERMENT REGULATIONS which are as follows:

- ◆ No mounds shall be allowed. Any initial mound shall be levelled after 6 months.
- ◆ No kerbs or chippings shall be allowed.
- ◆ The maximum size of a headstone shall be 4' high, 3' wide and 6" deep.
- ◆ Interment shall take place in spaces on alternate sides following numerically either side of the path next to the last one occupied on that side, unless it is a relative of a person previously buried in a double grave.
- ◆ The planting of trees, shrubs, flowers or bulbs shall not be permitted on any grave.
- ◆ Wreaths or cut flowers may lie directly on any grave, or placed in an approved vase or container immediately adjacent to the headstone. The Parish Council may remove them when they appear to be withered.
- ◆ Bulbs and small annual plants may be planted in an approved removable container placed immediately adjacent to the headstone. Unless kept tidy, the Parish Council may remove same.
- ◆ Under no circumstance may artificial flowers be placed on the Burial Ground and if so placed they will be removed by the Parish Council.
- ◆ Vases shall not be more than 12 inches x 8 inches x 8 inches in size and shall not be an integral part of the headstone.
- ◆ No headstone shall be of black granite or of all-polished granite of whatever colour, or of white marble, synthetic stone or plastic. Stone shall not be mirror polished in any way so as to reflect. The use of local stone will be encouraged.
- ◆ Bird baths shall not be permitted.
- ◆ Any power exercisable by the Parish Council under these regulations may be delegated in accordance with the Local Government Act 1972 and the Local Authority Cemeteries Order 1977 to a person or persons so authorised.
- ◆ No advertisement or trade-mark shall be inscribed on a headstone but the name of the mason may be inscribed at the side or on the side or on the reverse of a headstone in unpainted and unleaded letters no more than half an inch in height. All headstones must have the grave number engraved on the reverse.

The Parish Council would like family grave owners to inspect and remove any item not fitting with the above regulations as soon as possible during the months of May, June and July.

In August 2015 the Council will do another inspection with the intention of removing offending items.

Over the next few months the gates will be painted and it is hoped that an extension pathway will provide better and easier access.

DOG FOULING IN MERRIOTT

There has been an increase in dog fouling around the Merriott area.

If you see any dogs fouling, please get a description of the dog walker and type of dog and we can put up posters to that effect.

If you know who may be responsible and are willing to give a statement we may be able to issue a Fixed Penalty Notice.

PLANT HUNTERS FAIR 2015 - LOWER SEVERALLS

BY SAM WYCHERLEY

On 4th May the Inner Wheel Club of Crewkerne is organising a Plant Hunters Fair at Lower Severalls in aid of the Dorset and Somerset Air Ambulance. A Plant Hunters Fair has been held at Lower Severalls since 2001, but this is the first year for which the fair will be supporting the Air Ambulance.

A number of specialist nurseries from across Somerset and Dorset will be present, including Hurst Brook Plants, specialising in peonies and irises; Entwood Farm Plants of Lyme Regis; Blooming Wild Nursery of Sturminster Newton, specialising in perennials and grasses and Picket Lane Nursery of South Perrott. The fair has always been well received in the past, bringing in hundreds of visitors. The event should also be particularly momentous for Hurst Brook Plants, who have relocated to the Lower Severalls site just this year.

The Inner Wheel Club of Crewkerne has raised money for many worthwhile causes over recent years, including "Wizzybugs", a Bath University initiative to provide innovative wheelchairs to children with disabilities. Families with young disabled children can loan for free the Wizzybugs for as long as they need.

Dorset and Somerset Air Ambulance, as you probably already know, provide a vital service saving lives across the 2 counties. Since its creation in 2000, the Air Ambulance has flown around 10,000 sorties, over half of which were in Somerset in 2013. 51% of Air Ambulance patients have medical injuries and it costs a staggering £1.7 million to run the service each year. The service is reliant upon donations from community members and the Inner Wheel Club has actively supported the charity for a number of years.

Entrance to the fair this year is £1.50, all in aid of the Air Ambulance. As usual, homemade refreshments will be available.

PLANNING A GET TOGETHER?

The Community Pavilion is available for Hire. £20.00 per session. Contact 01935 863420 or merriott-clerk@hotmail.co.uk
