Visitor

Ian Johnstone	Beith Community Council
---------------	-------------------------

1. Welcome, apologies and agree minutes

Sheena Woodside welcomed all to the meeting in particular Ian Johnstone who was visiting from Beith Community Council.

Minutes of 30 January proposed by James McCosh and seconded by Julie Wales.

2. DCDH engagement with our three Councillors

Contact is made with Councillors but not on a formal basis

3. Progress Public Park development

A children's football team has been started with up to 70 children attending. The park used to be lined for football but not now. Children have to play their home games at Kilbirnie. This is unacceptable. This matter will be taken up by Community Council.

A discussion took place re Growth Fund and the fact that Garnock Valley is not included in this.

4. Progress of sub groups

a. Lynn Glen

During heavy rainfall a bridge was washed away. This has now been roped off. There is a plan to reform foundations and replace. Bruce will look at this next week.

The Council have stated that the wall at the car park is not yet dangerous enough to warrant repair.

The Council have also stated that the road leading to car park is not their responsibility. This needs to be investigated given that there may be regulations concerning roads adjacent to traffic lights.

b. Fairy Glen

An Easter Egg Hunt will take place on 13 April. Support is being given by:

Scouts who will cook burgers and promote their group with activities

Sports Club will provide gazebo and tables

Big Fit Walk – this is being organized by Ruth. There was discussion re starting point. At present this will be the school but perhaps starting at the Cross would involve the community.

Funding has been secured for carvings but discussions are still being held re nature of such.

c. Heritage Trail and Roadside Art

A summary was given of activities so far (see last minutes)

February activities: Park Board, Film Night, Meeting with residents re Rosearden Garden

5. DCDH engagement with DCC

Numbers are increasing, speakers are invited, engagement with Council is good, new website has been completed.

Now have full DCC of 7 members.

6. DCDH engagement with Garnock Valley Locality Planning Group

No further news

7. Garnock Connections

A second consultation has taken place re active travel/Loch Shore

8. Dalry Bypass

Support is being given to local groups.

9. Dalry Scout Hall

Building is now wind and water tight. No heating at present but a heat exchange pump will be installed.

10. AOCB

JB – £1.4m has been given for town center funding. Joy has still to be made aware how this will be distributed.

GT – There are limited facilities in Dalry to provide activities to reduce Anti Social Behaviour. 2 groups have been started. GT will advise if any young people could join sub groups of DCDH.

Next meetings

24 April 2019 – Open

29 May 2019 – Open
