

# Swindon Equality Group Meeting

**Gorse Hill Baptist Church – 20/10/2016**

Present – Paul, Steve, Tom

Apologies – Elspeth, Brian

## *Spring Event 2017*

After some discussion it was agreed that Tom would get an opinion from Bill Kerry (done). Stuart Lansley will be approached first. Lee Rayfield has agreed to be involved if the date allows.

## *Member Survey*

A detailed draft was discussed. Steve offered to re-work some of the questions.

## *SBC Issues*

We received a wholly unsatisfactory answer to our last ‘Cabinet’ question (placed by Paul) and aim to repeat the process at a future meeting (with a different questioner).

## *Swindon Fact File*

There has been consternation over the ‘Warning Signals’ document. Although the leaflet will not be published in the current format the *content* will be used to underpin a series of articles to appear in the Link magazine, starting with the November edition.

## *AOUB*

Next meeting - Thursday Dec 1st
