Enrolling on your course

We are keen to encourage as many people as possible to enrol online for courses.

There are several reasons why this benefits both WEA and yourself:

- Enrolling online guarantees a place on your chosen course and reduces administrative work at the first session
- Because we need a minimum of 15 enrolments to run most courses, online enrolment helps us to make sure we reach minimum numbers which helps to ensure as many classes as possible are able to run
- Once you have enrolled online you do not need to give the same information each time you want to join a course – all of your information will already be there!
- Our online enrolment system is secure and complies with data protection

Enrolling online (This option valid until 1 week before course start)

You can find your course on our website:

enrolonline.wea.org.uk

or use the QR code

Enrolling by phone: To enrol by telephone please call us at the Regional Office, where our friendly administration team will be there to help you, on one of the numbers below:

North West Environmental Courses

The North West Environmental courses have been designed to give students a taste of studying and working in the outdoors with the concept of sustainability at their heart. They range from weekend introductory courses such as ***Introduction to Woodland Management*** and ***Introduction to Forest Schools*** to validated courses like the ***Permaculture Design Course***. All these courses can be studied as stand-alone courses or combined and built up over time to give the learner a good understanding and a variety of practical experiences working sustainably in the outdoors.

If you are interested in this kind of course and can't find one near you, please contact our Regional Office: 0151 243 5340

Our Branches

People who are committed to adult education, including tutors, students and individual members, are encouraged to join one of our WEA branches. We have several in the North West - Altrincham, Cheadle Hulme, Disley and Marple, Frodsham, Hyde, Knutsford, Neston, Northwich, Sale and Manchester.

Branches work with WEA staff to provide a wide range of day schools, events and courses to suit the needs of all of our learners. If you are interested in adult education and you have some skills, or have a little time to offer, we would love to hear from you. To take your enquiry forward, please **contact us at membershipnw@wea.org.uk or telephone our Regional Office: 0151 243 5340**

Courses are listed by county:

- Cheshire & Warrington
- Greater Manchester
- Merseyside
- Lancashire

How much will I pay for my course?

All students must be aged 19 or over on or before 31st August 1995. For most of the courses in this brochure you will have to pay a fee as indicated unless you are eligible for free courses*. Students who are eligible for a free place will be asked to produce evidence at their first session that they qualify for a free course because a tutor or volunteer will need to confirm, confidentially, that they are eligible for free tuition. *Courses are free if you are in receipt of, or are an unwaged dependent upon someone in receipt of:

- Job Seeker's Allowance
- Employment Support Allowance in the Work Related Activity Group
- Universal Credit
- Council Tax Reduction
- Income Support
- Housing Benefit
- Working Tax Credit
- Pension Guarantee Credit only
- Asylum Seeker
- Unwaged dependant (as defined by Job Centre Plus) of someone on one of the above

Courses run jointly with the University of Liverpool Continuing Education are marked (J). The University sets its own fee levels and reduced rates. Please contact the University Continuing Education for further information - 0151 794 6900

24+ Advanced Learning Loan

The government is introducing loans for all students aged 24 and above studying diploma or certificate level accredited courses within the Qualifications and Credit Framework (QCF) at Level 3 and above. The loans will apply if you are starting a higher level course on or after 1 August 2014. **Please visit: www.wea.org.uk/courses/24-advanced-learning-loans or contact your Regional Office for further information.**

English, Maths and ESOL (EME) with the WEA

Our English and maths courses are designed to enable people to develop their 'functional' English and maths skills. This means that, as well as developing and improving their confidence by learning new skills and techniques, people will be able to use their skills to cope with everyday tasks such as letters to/from schools, working out prices in shops to get the best deals, understanding bank statements and payment methods etc.

WEA ESOL courses aim to improve and develop the language skills of students who do not have English as their first language so that they can play a full and active role in life and work.

Our English, maths and ESOL courses include accredited and non-accredited courses depending on whether students want to gain a qualification, or simply want to practise and develop their skills and confidence. We also offer ESOL and Citizenship courses that include a speaking and listening qualification at E3 level and preparation for the Life in the UK test.

Initial Assessment

Prior to joining an EME or an accredited learning programme, students are invited to attend an initial assessment session to ensure they are enrolled on the right course.

How much do EME courses cost?

English and Maths courses are free to all students who meet SFA (Skills Funding Agency) eligibility (i.e. over 19 years and resident in EU or UK in last 3 years). This does not apply to students from Scotland or Wales.

ESOL courses cost £1.65 per hour but may be free to students in receipt of means tested benefits.

What Ofsted said about us....

Ofsted rated our provision as 'good' and said that "students achieve well. They improve their personal, social and employability skills as a result of attending classes." And "students benefit from regional programmes, which encompass a vibrant mix of starter courses to support students back into learning, advanced courses, cultural opportunities and work-related learning. Much is provided in conjunction with specialist partner organisations."
