Planning your journey

Through implementation of its Travel Plan, the University supports 'Sustainable and Active Travel'. Reduce time, money and your carbon footprint by planning your journey at:

- Transport Direct** - www.transportdirect.info
Plan your journey by car or by public transport using this on-line route planner. Compare carbon emissions by mode. Includes live travel updates.
 - Traveline** - www.traveline.info
Useful door-to-door journey planner if travelling by public transport
- Or email greenteam@uclan.ac.uk for a personalised travel plan.

Walking

Fit more walking into your daily life and reap the health benefits. Walking routes and maps at www.uclan.ac.uk/sustainabletravel

Cycling

Cycling is a great way of commuting as it is often quicker than other modes and a cheap and healthy option. Preston and South Ribble benefit from over 50 km of traffic-free cycle paths and a campus 20mph zone means that it has become safer to cycle on the roads too. The University's Bicycle User Group (BUG) has lots of information on cycling including shower and locker locations, information on free cycle training and guidance on bike security and safety. For more information on UCLan cycle facilities visit www.uclan.ac.uk/sustainabletravel

Rail

The University is conveniently situated within walking distance of Preston railway station making the train an excellent mode for getting to UCLan. Preston also benefits from direct rail links north and south to London/Birmingham and Glasgow/Edinburgh and to Manchester Airport. A 16-25 Railcard is available if you are aged 16 to 25 years old. Mature students in full time study can also apply. Railcards cost from £30 per year. For more information and a route planner go to www.nationalrail.co.uk

On foot from the Railway Station (1/2 mile)

Take exit from station over overhead walkway, turn left to traffic lights. Cross road at lights, turn right and almost immediately left down Corporation Street to the Ringway. Cross Ringway, turn right, then take first left down Corporation Street. Follow signs to University.

Bus

Commuting by bus helps reduce your carbon footprint. Save money by purchasing discounted tickets available from:

- Stagecoach www.buymunirider.com
- Preston Bus www.prestonbus.co.uk
- Fishwicks www.fishwicks.co.uk
- Lancashire United www.lancashireunited.co.uk

Bus routes and timetables are available at www.traveline.info

Coach

National Express Coaches operate from Preston Bus Station to destinations across the UK. A Young Persons Coach card costs £10 per year and gives 1/3 discount on standard fares. Go to www.nationalexpress.com

Low cost intercity bus travel is also available from Megabus see www.megabus.com

On foot from the Bus Station (1/2 mile)

Take subway at south end of bus station to Guildhall Arcade. Walk straight through Arcade and across Lancaster Road until you arrive at the Cenotaph. Turn right down hill on Friargate. Walk through pedestrianised area down to traffic lights at Ringway. Cross Ringway and continue up Friargate. Follow signs to University.

Park and Ride

Help reduce congestion by using one of Preston's two park and ride facilities; Preston PortWay which is close to Preston Docks and Walton-le-Dale at the Capitol Centre. Parking is free, you only pay for the bus. For further details see www.prestonbus.co.uk

Car Sharing

If you need to travel by car you can reduce your travel costs, alleviate congestion and parking problems, reduce your carbon footprint and meet new people by car sharing. Register your journey at www.sharedwheels.co.uk

UCLan Staff and Students can search for a match in the staff and student private car sharing groups. Look out for the UCLan logo on the 'private car sharing groups' tab www.sharedwheels.co.uk

Car Parking

University car parks require a University permit. Students will need to meet qualifying criteria to be eligible for a permit (e.g. if you have a disability, or your commuting time is greater than 60 minutes by public transport).

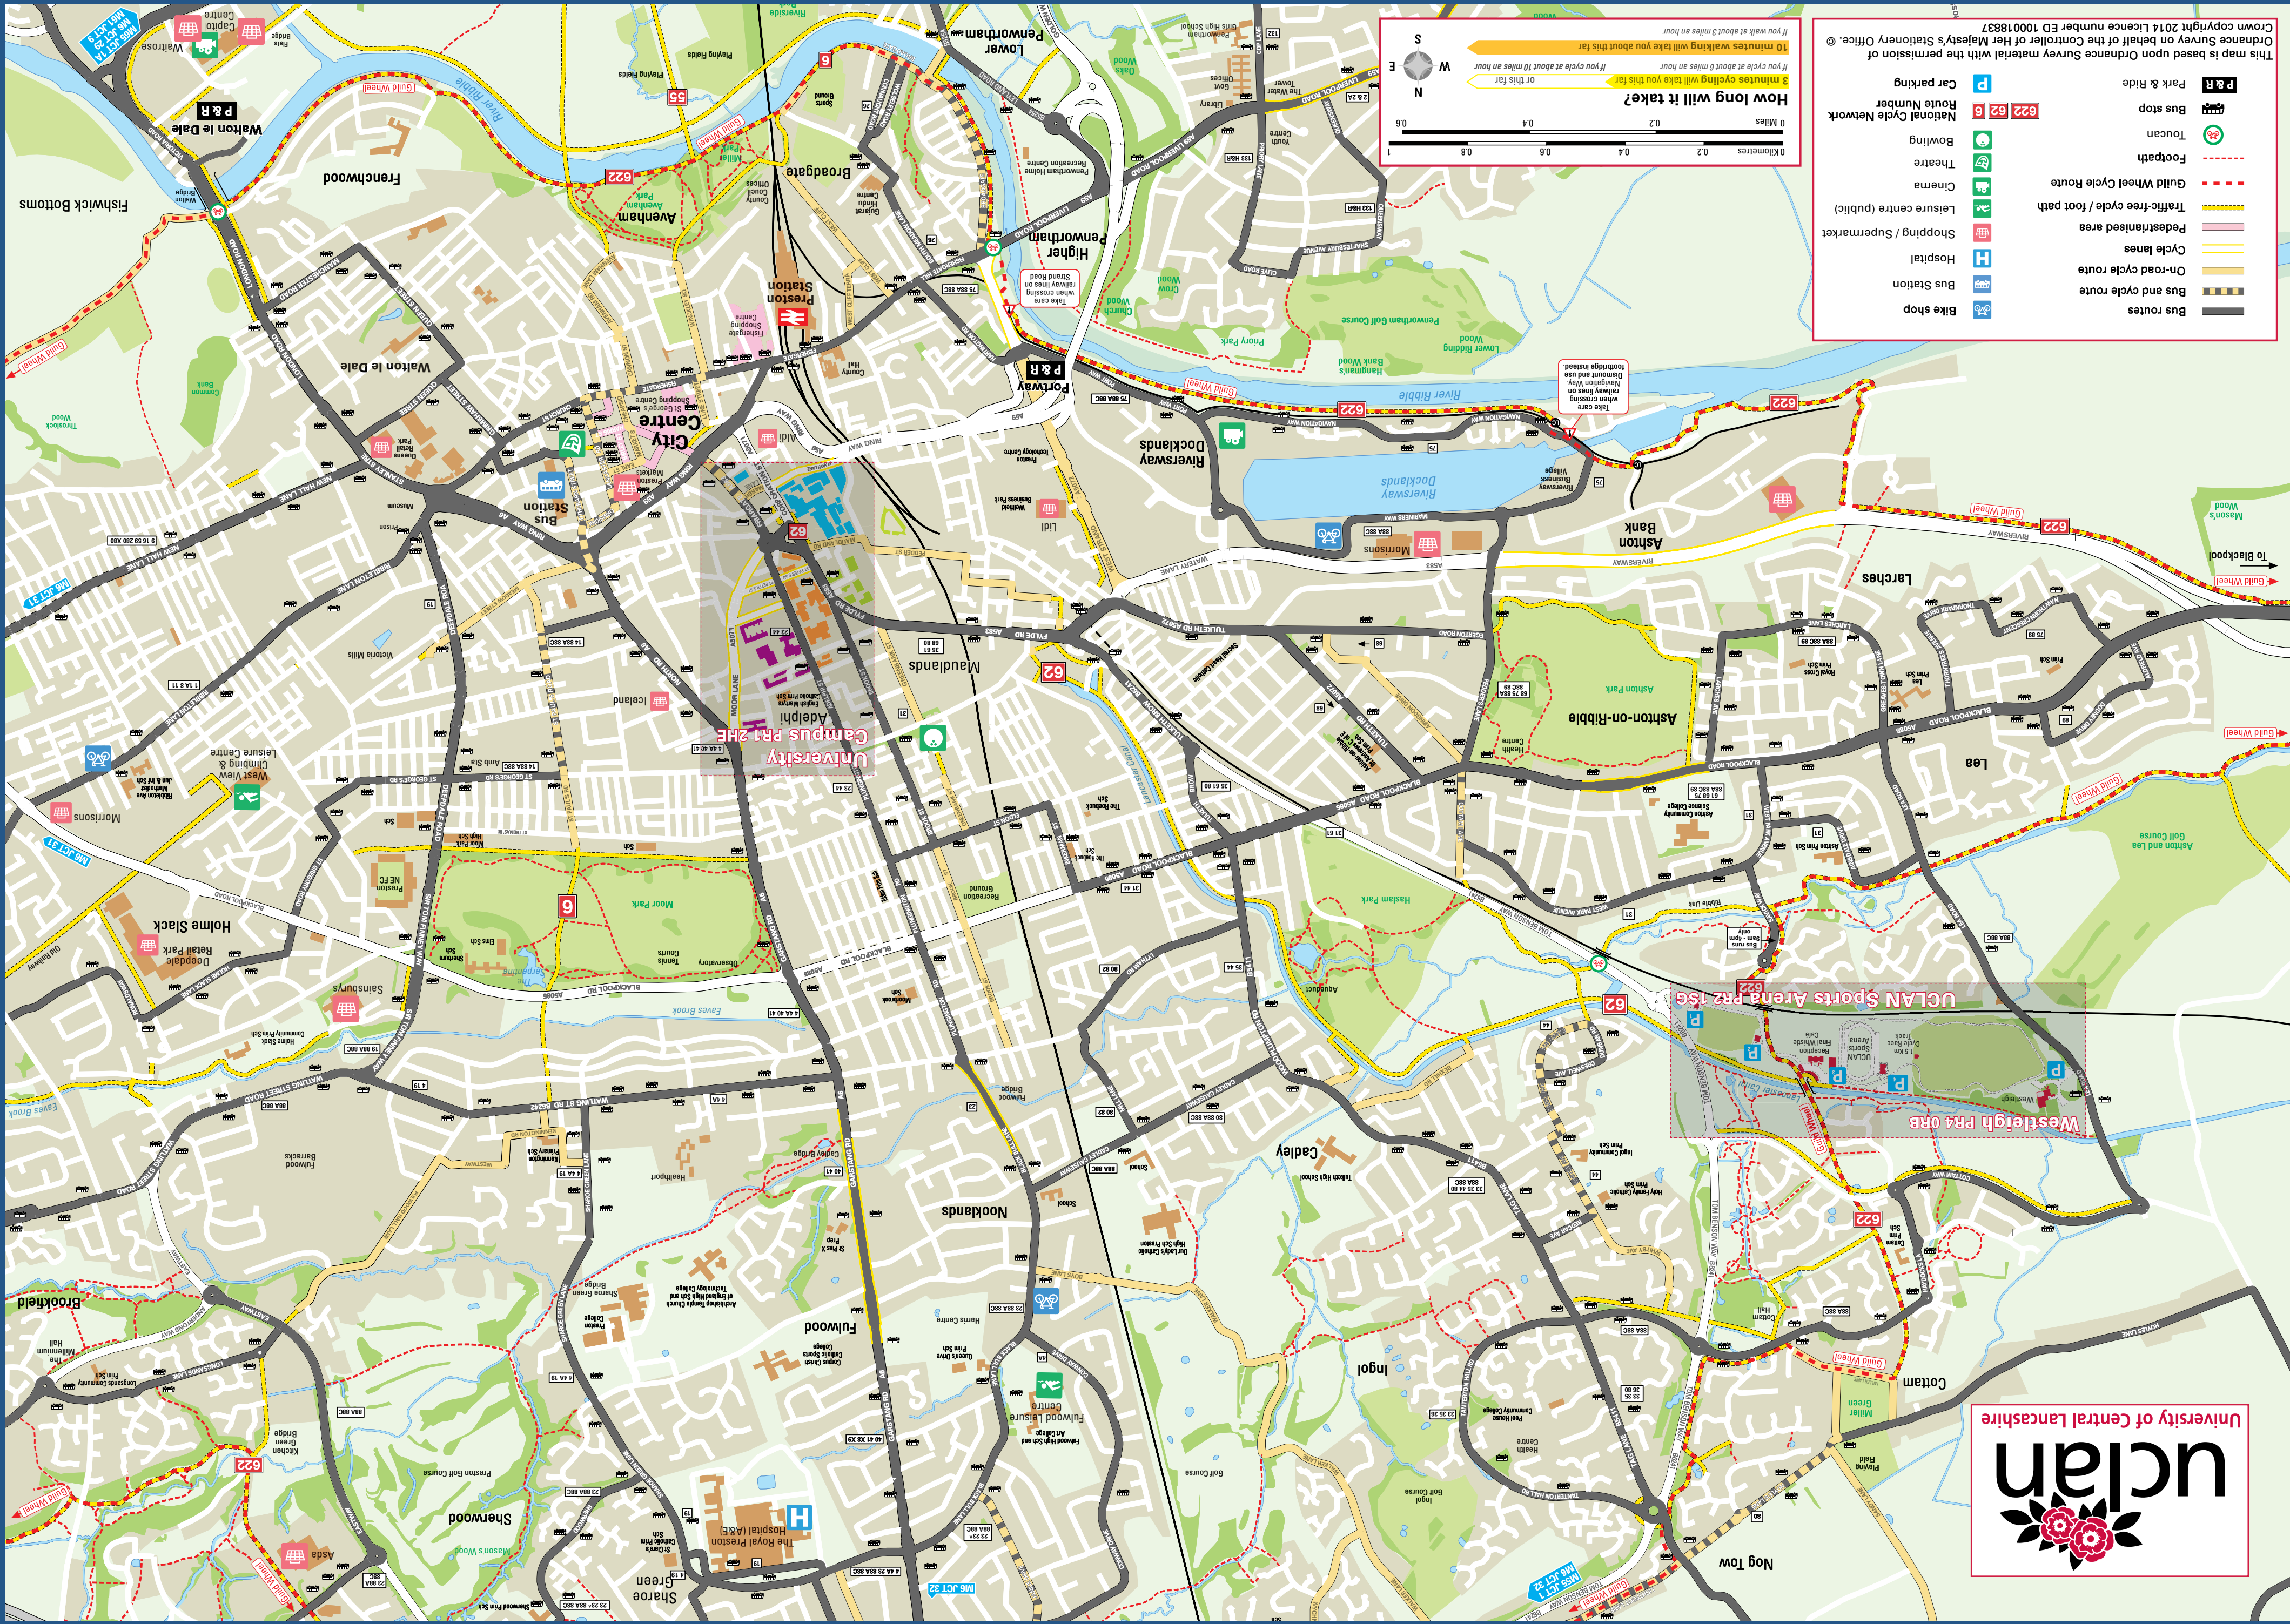

Official visitors can request a pre-booked space on Foster car park which needs to be arranged in advance (48 hours) by the member of staff they are visiting. Visitor spaces are limited and space is allocated on a priority basis.

Applicants attending a School Open Day (week-day events) or Interview Day should refer to paper work provided by the School.

A limited number of short stay (maximum 3 hours) Pay and Display facilities are available on Harrington car park (£1/hour).

For more information on University permits and visitor parking contact Car Parking Services by email: cparking@uclan.ac.uk by telephone: 01772 892066
