LUXURY LIVING

WELCOME to Broadbridge Park

It is my pleasure to introduce Broadbridge Park, our brand new luxury care home with nursing. Located in the rural village of Broadbridge Heath, our home will provide exceptional residential, nursing and dementia care.

With over 20-years of experience in the care sector, I believe that each resident should have the opportunity to live their life as they wish in a very comfortable and homely setting.

My team ensures that our care helps residents to maintain their dignity and make choices in their lives. I am committed to supporting residents to keep their independence and live life to the full. This means more than providing great care, it's about working with each resident and their family to truly understand their wishes and aspirations for the future.

If you need a new permanent home, require a period of convalescence, or simply would like a short break in comfortable surroundings, we are here for residents, friends and family every step of the way. I look forward to welcoming you to Broadbridge Park by Caring Homes.

A convenient location

Set within the village of Broadbridge Heath our home is on local bus routes and is only two miles from Horsham railway station. Within walking distance of our home is the local convenience store, Post Office and The Shelley Arms public house, where residents can enjoy a pub lunch.

We also get out and about as often as we can to explore the local nature reserves, art museums or even the local garden centre to look at the shrubs and enjoy coffee and cake in the Stooks Café.

Fine food and dining

Enjoying delicious food with friends in lovely surroundings is one of life's greatest pleasures. Our chef creates delicious and nutritious menus tailored to residents' dietary needs and tastes.

Our dining rooms are laid out in a restaurant style, but your loved one can eat in their room if they wish. Snacks and drinks are always available too.
