Dear Parent / Carer

Inspection of Onthank Primary School & Nursery Class

The letter and quality indicators (QIs) prepared by HM Inspectors, following the inspection of our school last term, are published today. The letter is available on the Education Scotland website at www.educationscotland.gov.uk and on the school website. Paper copies are available for parents/carers who do not have internet access.

Please complete and return the tear off slip below if you wish a paper copy.

The School Improvement Plan will also be issued soon, which details our plans for taking forward the work of the school taking account of our discussions with the inspection team. We will involve you in our priorities, as you have a key role in supporting your child's learning.

You have already received an invitation to our 'Sharing Information' events and we are planning a reading and phonics workshop, which will take place later in term 1. Further information will follow shortly.

In the meantime, we would like to involve you in the daily life of the school. We are presently looking for parents/carers help at breakfast club or lunchtimes. If you are interested, please complete and return the slip below.

Do not hesitate to get in touch with me if you have any questions.

Yours sincerely

Mrs K. McCartney
Head Teacher
