- 153/15-16** **Confirmation of Minutes**
It was Proposed by Cllr L Keppel-Spoor, and AGREED, to sign and approve the Minutes of the Meeting held on 5th October 2015 **Agreed**
- 154/15-16** **Matters Arising (for information only)**
None
- 155/15-16** **Police Matters:** During the month of October 2015 – 11 crimes were reported with only 4 of the crimes having an impact on local residents, these are:-
1. 27.10.2015 – Lorry in a ditch along the B1093 from Benwick to Whittlesey, No other vehicles involved no injuries.
 2. 25.10.2015 – Youths have caused criminal damage to a vehicle in the village, enquiries still ongoing.
 3. 17.10.2015 – Vehicle has swerved and hit an on-coming car, no injuries.
 4. 15.10.2015 – A vehicle has been stolen from an address in Benwick enquiries are still on-going at this time.
- The following message was received from the Police Rep “Concerns about the amount of crimes that are being reported for cars being stolen without the use of car keys. Whittlesey and the villages have all been targeted and alarmingly tens of thousands of cars are being stolen or broken into every year by thieves using electronic hacking equipment. Whittlesey alone had a spate of vans being targeted, no keys were ever taken to break in. Hi-tech devices which were originally intended for locksmiths to gain access to vehicles have been reported on occasions to have been used. Some thieves are using equipment that intercepts the signals from key fobs!
It can take someone experienced just 10 seconds to break in to a vehicle!!!
This coincides with an increase in popularity of keyless systems especially in new vehicles. Keyless entry works by the driver having a fob instead of a key which automatically opens the car and activates it so it can be driven, equipment can be bought online which is able to re-programme the fob! It is difficult to keep anything safe but there is information available and sometimes it is worth talking to your insurance companies for their guidance.
On a more positive note we are conducting more school patrols targeting those who do not park appropriately when taking and picking up children to and from school. Although as a team Whittlesey do cover a large area and a fair few schools we have had positive results and targeted many parents as a result with tickets being issued and drivers being spoken too. We are lucky to have the support of the schools, Benwick being one of them. Sadly what seem to get over looked is the fact that we are at the schools ticketing patrolling etc., for the safety of children the pupils, parents and even

- teachers.”
- 156/15-16 WW2 US Plane Crash Memorial:** Nothing to report.
- 157/15-16 High Street:** The land at the end of the High Street (Footbridge end) is overgrown again, this land is maintained by the residents in the area. Cllr's Chapman and Few are to discuss with a local resident. **Cllrs Chapman & Few**
