- 227/17-18 Police Report**  
The lighting around the cemetery that was mentioned to be a roddans/circle housing issue. I have sent an email and am waiting a response as to any action they plan to take in lighting this area. Cars parking on the footpath. I have been around the shop a few times and have seen this can be an issue. Blocking the pathway for pedestrians. At any stage when passing I will make sure that action is taken to assist in improving this.  
There has been no burglaries, robberies or shop liftings this month in Benwick.  
It looks like quite a successful month on reports to the police. Given the exceptionally bad weather we have not seen any reported car accidents in Benwick and only 1 on the road between Benwick and Whittlesey.  
I pass thanks to the assistance everyone has been giving in relation to hare coursing in the village. The latest incident resulted in us being able to seize 2 dogs and stop the ongoing neglect that had clearly been occurring. Please continue the hard work you have been putting in.
