Dear Mr Weaver

Thank you for your letter of the 31st July on behalf of the Friends of the Derwent Valley Line.

I was very grateful to you for taking the time to raise these three specific concerns about the impact of the remodelling work that is to take place at Derby Station next year.

Please be assured that I fully appreciate your concerns and I will certainly raise them with Network Rail and request that you are able to have some input at the planning stage of the replacement bus services.

I hope my representation proves to be of assistance and I will, of course, ensure that a copy of the reply is sent on to you as soon as it comes to hand.

Yours sincerely
