Dear Mr Darrall,

Thank you for your letter of 25th February and for providing me with a copy of the consultation document that you have sent to the Secretary of State for Transport, The Rt Hon Patrick McLoughlin MP.

It would be useful if you mounted a campaign when the subject of Rail Franchises is considered. I suggest that you start collecting signatures now to support your campaign. Please note that you must include the name, address, signature and what it is you are asking for on *every* sheet.

Thank you taking the time to write to me on this matter and I would be helpful if you keep me informed of any progress.

Yours sincerely,

Pauline Latham
