## General Notices

1. **WELCOME** – Thanks for joining us today in our Men's Day fellowship celebrations. The Men's choir have been meeting at Cole Street weekly on Tuesday to learn and perfect a range of hymns and songs led and guided by our very own Jean Dunning on the piano. We'd like to thank all involved in today's celebrations for leading our worship and praise today.
2. **JMA** – The amount collected so far for the JMA appeal this year stands at £126.56. A huge well done and thankyou to our children and young people for continuing to collect money in their boxes, as well as participation in the JMA service last week. Wendy has also extended her thanks to everyone else involved in the Café Style service last week – everything from the technology to the last minute volunteers on refreshments! It was very much appreciated and made for a lovely morning of celebration.
3. **BREAKFAST MORNING** – Thanks to all those who joined us in fellowship yesterday as we enjoyed our first Breakfast Morning of the year. With all your support and the hard work of our volunteers, we managed to raise an on the day total of around £200 towards Church funds. Many thanks everyone.
4. **HOLIDAY CLUB** – Holiday Club is running on Tuesday 18<sup>th</sup> February from 1:00pm to 4:00pm. All children and young people are welcome and we ask that they are accompanied by a responsible person aged over 16. There will be plenty of opportunities to be creative, have time to socialise and chat and enjoy some indoor games. The club costs £1 per person with no pre-registration required – just turn up. We hope you can join us during this half-term.
5. **HALF-TERM MAINTENANCE** – With a few of the sessions taking a break during half-term, we are seeking to get a number of maintenance jobs completed. On Wednesday, a connection to the internet is due to be installed at church by OpenReach with a view to soon being able to provide a WiFi connection around the premises. We are also going to be sealing the Main Hall floor once again to keep it in as best condition as we can. As if that wasn't enough, we are also due to be delivered a scaffold tower so that we can access the Nave Lights (in the roof of the Main Hall) so that they can be replaced with new, more energy efficient LED tubes. This replacement is due to take place on Saturday morning at 10am and any extra help will be very much appreciated. This scaffold tower will remain in the Main Hall for a number of days, and we therefore ask that extra care is taken when moving around the premises over the coming week.
6. **GATE LOCKS** – Please ensure, when opening external gates, that the gate locks are 'locked-on' to the open gate. If the gates are being locked by a non-key holder, the lock needs passing directly to this person for safe keeping. Please ensure that no locks are left open on the gate or left lying around the premises as these are at risk of being misplaced or removed. Many thanks, the Property team.
7. **CHURCH COUNCIL** – There is a Church Council meeting scheduled for Tuesday 25<sup>th</sup> February at 6:30pm. Minutes from the previous meeting are available on the noticeboard.
