‘Signing Off’ – UB40 Tribute Band

The forming of the band, ‘Signing Off’ was the direct result of the hard work and determination of a group of friends, musicians and UB40 fans to bring a fresh new tribute act - dedicated to replication of the live sound of their idols – UB40.

‘Signing Off’ prides itself on setting out to thrill fans with a noticeable representation of UB40's original material from their debut album "Signing Off" (from which the band takes its name) as well as appealing to more casual fans with hits such as Kingston Town, Can't Help Falling In Love, Here I Am, Red Red Wine and many more! With an emphasis on tight musicianship and a passionate study by each member of their role in emulating their counterpart in the real UB40, we're sure that ‘Signing Off’ has become the UK's leading LIVE UB40 Tribute Band.

The Band Members are; Sid, Peter, Tony, Barrie, Mariusz, Donna, Jordan and they hail from Brum. Prepare yourselves for a fantastic night’s entertainment with ‘Signing Off’ as UB40.
