**Declaration of members' interests** – to receive from members declarations as to personal and/or prejudicial interests and the nature of those interests in relation to any agenda item. - none received.

**Minutes:** the minutes of the last meeting held on 11<sup>th</sup> December 2014 were read, approved and signed as correct. The minutes of the July meeting are still awaited, Mr Wood confirmed these would be completed and presented at the next meeting.

**Matters arising:** War Memorial restoration - Mr Wood reported the cost of attaching a replacement piece of stone engraved as the existing memorial to be £2,100.00. Previously it had been agreed, in principle, that the Parish Council would make a contribution towards this.

Woolley Hill Wind Farm - Mr Wood is to obtain more precise details from the Easton Social & Fund Raising committee and the stonemason to enable the submission of a request for a grant from the Woolley Hill Wind Farm Community Fund at their meeting in April.

- Mr Burton is to request a grant from the Community Fund for a new small swing for the playing field.

Hartham Street remains almost impassable due to wet weather and use by vehicles.

Hedgerow maintenance, Stoneley Road – the meeting with Mr Picton has yet to take place.

Tree Planting Mr Baker reported the District Council had advised him the trees ordered are ready for collection subject to suitable weather conditions.

Huntingdonshire Association for Community Transport – Mr Baker confirmed he had contacted the organisation and will circulate details.

**Footpaths** Mr Nixon is concerned that he has received reports that the use of village footpaths is being abused. It was agreed he should draft a notice to be circulated in the village newsletter.

**Proposed gate – footpath no. 5, Stoneley Road** With regard to the locked wire across the entrance to this footpath, to date, no copy of the application for a gate has been received from Mr Picton and Mike Baker and Steve Thomason are to ask him about this when they see him.

**Cherry Orchard Lane** Mike Baker had inspected the entrance which he confirmed is indeed badly rutted. Although Simeon Carroll, the Rights of Way Officer, had implied he had no objection to the resurfacing, it was felt that if this is permitted it must be with the proviso that the whole lane is reseeded to ensure it remains a 'green lane'.
