**SECOND SUNDAY IN ORDINARY TIME**

**14<sup>th</sup> January, 2018**

***Parish Mission Statement***

*Our Parish, guided by the example of our patron, St. Francis, seeks to be a welcoming Catholic Community, by living, sharing and growing in faith. We strive to deepen our own relationship with Christ and meet the needs of others.*

**Today** is the Day of Prayer for Peace.

**Fr. Sony** will be away from 14<sup>th</sup> January to 4<sup>th</sup> February. For non-urgent matters please ring the Presbytery on 01772 865229. In case of emergency please ring Fr. David Chinnery on 01772 782641. Fr. Sony will be visiting his mother who is seriously ill; we hope and pray that he will find her improving.

**Sick of the Parish:** If you would like the parish to pray for someone who is currently sick, please email [news@stfrancis.org.uk](mailto:news@stfrancis.org.uk) or ring Fr. Sony on 01772 865229. It will then be included on the sick list of the Newsletter. We have an

area in church where you can write on a card and hang it up if you prefer it not to go on the parish newsletter. M. Peel.

**Cycle of Prayer** before Lent: For Peace on Peace Day, 14<sup>th</sup> Jan., Christian Unity 18<sup>th</sup> – 25<sup>th</sup> Jan., Racial Justice, 28<sup>th</sup> Jan., Victims of Human Trafficking and those who Work to Combat it, 8<sup>th</sup> Feb., the Sick and those who care for them, 11<sup>th</sup> Feb., and also the Unemployed, 11<sup>th</sup> Feb.

**From the Archives:** As we greet another new year, and our children return to school for the spring term, I share with you an extract from a letter to parents written in January, 1986 by the then headteacher, Mrs. F. Dickinson. She writes:

“Now that we have a disc-drive for the computer (just one in school at that time), our next ambition is to own a printer. This will be a great asset in word-processing and creative language work done in school. At the moment the only way we have of recalling children’s work is by storing it on disc.”

What a difference we see in just over thirty years! Our school now has numerous computers and printers, i-pads, interactive whiteboards (blackboards went out years ago!), digital cameras and phones and a superb large outdoor i-pad capable of streaming films and text on the school playground. The world-wide-web enables our children to send instant messages around the world and to access data and information from millions of sources. I wonder what the technology used in schools will be like thirty years from now – perhaps some of the children might like to make a suggestion?

Have a happy, prosperous and *digital* new year! Mike Bryan.
