

Ashdown Ramblers Newsletter4 - 20/04/20

I hope that you, your family and your friends remain safe and well in these difficult times.

Copies of the newsletters, the quizzes and answers will now be posted on our website, on the Events and Communications page, on **Mondays**

<http://www.ashdownramblers.btck.co.uk/>

I am happy to receive any suggestions for the newsletter and contributions to the next newsletter and quizzes by e-mail to: gporter.gpr@gmail.com

Quizzes: Some of the quiz answers might be open to discussion or there might be a deliberate mistake to catch you out!

The highlight in the news must be **Captain Tom Moore!** What an inspiration to everyone.

After completing the challenge, to walk 100 laps, of his garden before his 100th birthday, Capt Moore said to everyone struggling during the coronavirus pandemic that “at the end of the day we shall all be ok. The sun will shine on you again and the clouds will go away”.

His original target was £1000 and at the time of writing this newsletter, the total he had raised was £26,602,062!

The Ramblers Great Walking Quiz - Facebook Live - Friday 24th April, 5.30pm

How much do you really know about access to countryside? Have you got your facts straight on rights of way? How many steps do you think it would take to walk up Everest? The first Ramblers Great Walking Quiz will be hosted on Facebook Live, so you can put your outdoors and rambling knowledge to the test.

Take care and stay safe. Grace

Some Coronavirus jokes

This virus has done what no woman had been able to do...cancel all sports, shut down all bars, and keep men at home!!!

Do not call the police about suspicious people in your neighbourhood! Those are your neighbours without makeup and needing a hair-cut!

Does anyone know if we can take showers yet or should we just keep washing our hands???

I never thought the comment “I wouldn’t touch him/her with a 6 foot barge-pole” would become a national policy, but here we are!
