SUFFOLK COUNTY ASA – COUNTY TEAM SELECTION

In order for us to be able to select the very best team available to represent the county it is imperative we have the full cooperation of clubs to ensure the following:

1. we are kept up to date with relevant information
2. selection requests are forwarded promptly to swimmers
3. eligible swimmers are made available for county selection
4. embrace & promote the ethos of county selection as an honour not to be turned down

We try to time the selection for each relevant competition to incorporate the latest possible set of results so we don't miss out on any "in form" swimmers.

It would be helpful to us if clubs could incorporate the county events into their own competition calendars so all swimmers are aware of the dates.

Details of eligibility, selection criteria and current events are listed below which we hope will clarify the process.

We look forward to your continuing cooperation and to successful county events.

Please feel free to contact either of us if you would like further information or clarification.
