

Minutes of Previous meeting held on 2nd March were agreed.

Present (of Steering group): Leon; Tim; Astrid; Erika (David later)

Present (of public): John Taylor; Peter Rowland

Leon gave a summary of the Open Afternoon on Saturday. 7 March 2015 at the Village Hall, Eaton Bishop.

104 people were counted at the door. A number of them took away further questionnaires. It was generally agreed that the day was a success; it was well organized by Leon and the team, with great help from others (making boards; an easel; food etc etc)

85 questionnaires have, so far, been recorded on a spreadsheet. A number of the team are presently processing the questionnaires received so far. Tim had a dozen or more further ones delivered to his door.

There will be a workshop regarding grant applications for Neighbourhood Planning teams at Plough Lane at 10am on Thursday 26th March. Leon, Tim, and Astrid are going.

Two more people have volunteered to join the N.P. steering group: Laura Norris and Jules Hudson.

We discussed briefly how to go about culling the results from the questionnaires. This will be discussed further at the **next N.P. steering meeting at 7pm on Saturday 28th March.**
