- a) The **Top Vase Award** in this class is for a mixed vase of flowers containing a total of between 5 and 10 stems taken from a minimum of two different kinds of plant. Please note that it is for different kinds of flowers, not two varieties of the same kind.
- b) The display will be judged out of a total of 35 points, split into 25 points for the colour, form, condition, quality and freshness of the flowers on display, and 10 points for the overall presentation and effect of the plants in the vase. The vase will be viewed from all directions. Judging of the blooms should be to normal Horticultural Society Rules.
- c) Plants used in the display should be showing flowers only; no seed heads or berries are allowed.
- d) The vase can be any shape and size and made from any material, but must be in proportion to the display. No marks are awarded for the vase itself.
- e) No accessories whatsoever – such as bows and additional foliage – will be allowed. Foliage which is growing naturally from the flowering stem, and still attached to the stem, will be allowed. Packing material, including oasis, is allowed to keep the stems in place.

Notes for exhibitors and judges:

- *A vase, by definition, is any vessel that can be used to hold cut flowers and which is taller than it is wide at its widest point.
- * The Top Vase is open to anyone to enter and is not intended purely for growers who regularly display single species classes at shows.
- * Judges should use their discretion when judging the Top Vase class, bearing in mind that the entries may not come from regular exhibitors.
- * Judges should note that the display has to be viewed all round.
- * The points awarded should be clearly marked by the judges on the exhibitors' cards.
- * Any queries that may arise, regarding anything other than the above rules must be referred to, and will be decided by, the Show Officials.
- * Failure to abide by these rules will lead to disqualification.

Set recipe for Class 83 – Tea loaf

Ingredients:

1 lb of mixed dried fruit. 6 oz of demerara sugar. One quarter pint of hot tea. 1 egg.

8 oz of self raising flour

Method:

Mix together the dried fruit, sugar and hot tea and then cover and leave overnight

Add the egg, beat well and then stir in the flour

Grease a 2 lb loaf tin, line the base with greaseproof paper

Place the mixture into the tin and bake for about 1.5-1.75 hours at 160C/325F/gas mark 3.

Set recipe for Class 92 – Tiffin

Ingredients:

300g dark chocolate, broken into pieces. 180g unsalted butter, diced. 1.5 tablespoons golden syrup. 150g raisins. 180g glacé cherries, halved. 250g digestive biscuits, broken into 1-2cm nibs. Icing sugar for dusting.

Method:

Gently melt the chocolate, butter and syrup in a large bowl set over a pan with a little simmering water in it and stir until smooth. Stir in the raisins, cherries and the biscuits, tossing until everything is coated in the chocolate mixture.

Line the base of a 23cm/9in square brownie tin with baking paper and spoon the mixture over the base of the tin. Lay a sheet of cling film over the surface and press it level using your hands, though it will still appear slightly craggy. Remove the cling film and loosely cover with another sheet of baking paper and then chill for 2-3 hours until hard.

Run a knife round the edge of the tin to remove the slab and lift off the paper. Place upwards on a board and liberally dust with icing sugar using a tea strainer.

Cut into 5cm/2in squares approx and chill. Select the best 4 pieces and transport in an air tight container or tin.
