

Kirkby Malzeard Pre-School

Who we are

We are an independent preschool set in the grounds of Kirkby Malzeard Primary school, providing a secure and friendly environment in which children can learn through play.

What we do

We provide a broad and balanced curriculum, following the Foundation stage, and offer a wide range of activities to support this. This includes sand and water play, dressing up, malleable and tactile (playdough or similar), construction, small world, creative, IT, large apparatus, home corner, story corner and have an extensive, secure outdoor area with plenty of opportunity for adventure and exploration. We also offer weekly French and music sessions.

In our outdoor area, children can access all areas of the curriculum, including digging and planting, riding bikes, using the large scale equipment and playing in the playhouse.

Ofsted

We have consistently been rated as 'GOOD' by Ofsted, and were last assessed in September 2013.
