

TOUR DE YORKSHIRE ACCOUNTS

£1725 of funding was provided by grants from Harrogate Borough Council which were allocated directly to the Parish Council, Mechanics Institute and the School and used for a variety of items. The majority of the bunting was borrowed from West Tanfield.

The village committee also raised some funds and the income/expenditure from this is itemised below. Once a donation had been made to the Event Charity the balance was then divided up between local organisations as indicated.

INCOME

RAFFLE	£647	
ICE CREAM PITCH FEE	£80
