Child Friendly Competition (Under 9, 10 & 11)

1. Up to three tournaments will be held during the playing season on dates to be advised by the Management Committee. Due to the nature of the tournaments, no requests to postpone fixtures will be agreed. So far as possible, school holiday dates as published by Gloucestershire County Council will be avoided.

2. The format for each tournament will be notified to the Secretaries of the competing teams not less than 28 days before the commencement of each tournament. This will cover both the competition format, and also the playing times of matches, and the system of any deciding matches which may be necessary.

3. Referees will be allocated where possible, but if not available then the team managers must agree on a suitable person to officiate in the matches.

4. Venues to be used for matches will be decided upon by the Management Committee and will be notified by the Sunday preceding each week’s matches.

5. Team managers are responsible for notifying the result of all their team’s matches to the Fixtures Secretary by 5:15pm on the day of the match.

6. A Trophy will be awarded to the winning team of each tournament, and 14 individual mementos awarded to the players in the winning team and in the runners-up team.

7. The Rules of the Cheltenham Youth Football League shall apply in all other respects.
