Men's Breakfasts

What's the point?

It's all about bringing together men from the various churches

- to provide a forum to meet, to get to know each other, and to build and strengthen friendships
- to create a comfortable atmosphere in which men can invite other men - their friends, neighbours, work colleagues
- to enjoy ourselves!

Men's Breakfasts are not intended to be 'Church', but we do welcome open and candid discussion on matters relating to the Christian faith
