

## 6. CORRESPONDENCE

### Agenda item 6.1

#### WDC Grass Cutting

I don't know whether you or any of the councillors are aware but Weston is contracted for 14 cuts in the budget year. To date we have received 10 cuts with increasing intervals between cuts and despite the seemingly lengthening of the growing season it is starting to look likely as if WDC will **once again** come up short with the prescribed quota of cuts in the village which includes the playing field on Sabin Drive. Please will you raise this matter on the agenda for the PC meeting for 26th October - When does WDC intend to fit in the remaining four cuts and, also, should WDC propose not to complete the full quota of cuts, what excuse to they proffer this year. Though our General Rate payable to WDC, residents are paying for this service.

### **Agenda item 6.3**

Dear Jane,

The Churchyard was mown hopefully for the last time yesterday. We have spent more this year as Cllr Harrington thought it was looking scruffy i.e. 14 mows @£60 incl. V.A.T.= £840. Unfortunately we cannot recover the dreaded V.A.T.

It has certainly looked smarter this summer. St. Michael's has been demoted to a Chapel of Ease and we are really struggling financially. I hope the P.C. will be generous with their annual Grant this year.

Regards, Stephen
