Gaywood Valley Conservation Group
Walk around Bawsey
25 June 2017

Photos with thanks to Sue and Hamish
Channel 4's Time Team visit to Bawsey in 1999. Tony Robinson and Sandi Toksvig in the picture along with Members of the West Norfolk Archaeological Society
Views from within the ruins
Alistair explaining about the river from the bridge
Walking along the track by the fields with poppies on the field edge

Hole to investigate the water table
A fine example of Hoary Mullein

Lots of poppies on the field edge
Caterpillars of the Cinnabar moth on ragwort

Marjoram bush attracting butterflies
On Grimston Warren
Regrowth of vegetation after the removal of many of the pine trees
As our group return back to base after a very successful and enjoyable walk
