A429 works: one night closure and lane closure

March 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are now underway in your area, carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Please note: the timeframes and dates in this notification may be subject to change at short notice

Traffic management for our work in Crackley

LM will close a small section of the A429 Coventry Road/Kenilworth Road for one night to safely create a new access point off the A429 into our work site in Crackley. At this location, we are building a temporary road (known as a 'haul road') for future construction traffic.

After this temporary road closure, an ongoing 24/7 lane closure will be put in place on the northbound side of the road, featuring temporary two-way traffic lights. This will help us ensure the safety of everyone using the road while we work at the edge of the A429.

The following pages contain maps indicating the location of upcoming traffic management, plus information on future work.

Safety for pedestrians and cyclists

We will put a walkway in place to maintain access through the closure for pedestrians. The cycle path will be closed during the overnight road closure and subsequent lane closure, with a diversion in place.

Cyclists can dismount to walk through the closure, or they can divert off the A429 cycle path onto National Cycle Route 52 (off Coventry Road) and at Cryfield Grange Road. Signs will be in place to show the cycling diversion route.

Duration of works

Temporary road closure from **8.00pm on 25 March until 6.00am on 26 March**, followed by single lane closure in place 24/7 from 26 March for up to two months.

Our working hours

Our working hours will be between 8.00am and 6.00pm. We might be on site for up to one hour before or after to set up or pack up.

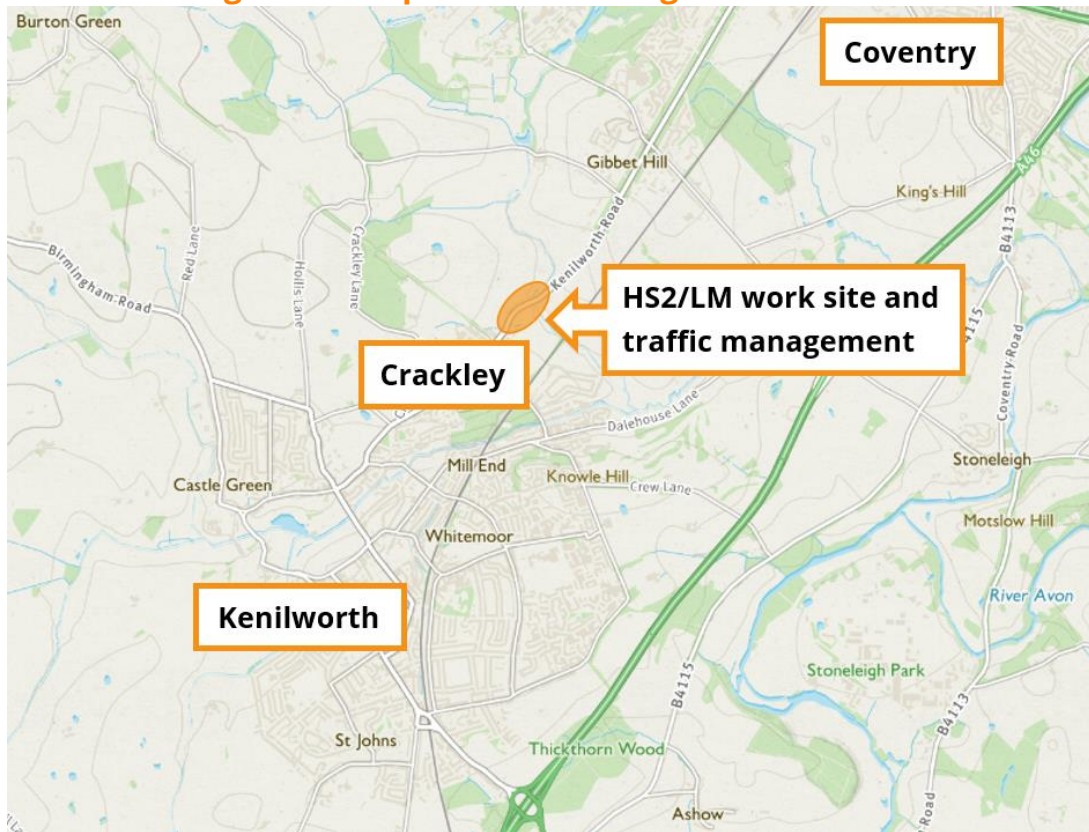

What to expect

Some noise from machinery during our working hours, and potential traffic delays during peak times.

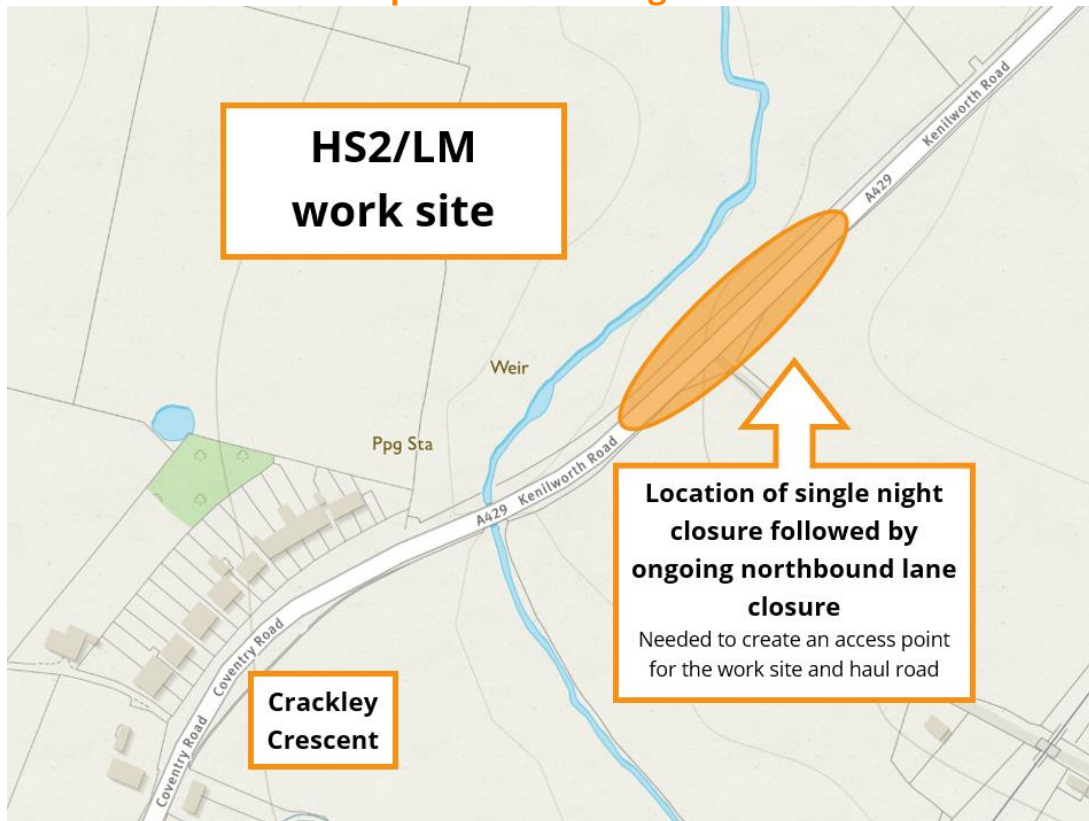

What we will do

We will keep hs2inwarwicks.co.uk updated with any changes.

Future work on the A429 Coventry Road/Kenilworth Road

After we've finished our work on the northbound lane, the temporary lane closure will switch to the southbound side of the road at the same location. This will create a safe working zone for our work to widen the A429. The A429 needs to be widened to accommodate construction traffic getting in and out of the haul road, which ultimately helps HS2 keep lorries off local roads.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
