

## RLSC Spring Series 2016

The Spring series finally got underway with 6 boats on the water on a lovely day with a shifty NW wind backing Westerly , 0-12mph! It was nice to welcome Steven Tostevin in his flying fifteen, so other f/f sailors, time to hit the water! The previous Sunday saw two lasers on the water in a fairly brisk easterly, which was somewhat testing !

A very truncated spring series so far due to the weather & people away. Good turnouts last two w/es, results below, thanks to Alastair for OOD duties, he made good use of our new race hut in the pouring rain this Sunday!! Norman Halstead has been busy tuning up for his Nationals in early July at Llandudno , the 25<sup>th</sup> anniversary of the class, very best of luck.

26<sup>th</sup> June. Another grey day, with spots of rain. Fairly shifty Westerly offshore , but excellent performance by Norman who won both races by a country mile, & claimed the spring series. This concludes the Spring series. Nice to see Chris Greenstead back again, sailing with good speed.

Results:

		15/5 R1	15/5 R2	15/5 R3	13/6 R1	13/6 R2	19/6 R1	19/6 R2	26/6 R1	26/6 R2	6 to Qual	place
