

PARISH COUNCIL NEWSLETTER

July/August 2016

From the Editors

In this double edition, there are lots of events lined up before the summer break. The School Festival on 2nd July and we are lucky to have lots of Open Studio opportunities throughout the village during July.

Mad Science is returning to Steeple Morden in August to keep your children educated and entertained for the whole week.

Already, September is starting to fill with events with the main focus being on the Harvest Fair which we all look forward to.

Hopefully we will be blessed with some sunny days and balmy evenings over the months of July and August where we can spend time relaxing with friends and family.

On a final note, after almost 10 years, David and I (Karen) have decided that it is time to hang on to our Newsletter mantle. We have loved being involved with the

2016

It's that time again to remind you all that the Steeple Morden Harvest fair will, this year, be held between 12 and 4pm on Saturday 17th September. With 2015 being such a success, and over £3500 raised for local organisations and charities, we are looking forward to another action packed day of fun for all the family.

This year, we plan to commemorate Her Majesty the Queen's significant Birthday with a Special award category at the Horticultural Show, a regally themed Fancy dress competition for old and young alike, a Right Royal Tea Tent, and a Special Edition Pimms stall!

As always we need volunteers to help with the big build, and on the day of the event itself. In particular we are looking for a village organisation to run the tea tent. Please let us know if you are willing and able to help.

We are once again seeking support from local businesses to help us raise money for the village in the form of gifts for the Grand Prize Draw. If you are able to donate a prize, we will be delighted to offer you an acknowledgment in our programme, several hundred of which will be distributed to a wide audience throughout the local area and this year, will be available on line through our website, www.steeplemordenharvestfair.com, which will be updated in the coming weeks.

If you would like to have a stall for yourself or your charity please contact Emily Holt – emily.jc@icloud.com for more details.

To donate a prize, or, if you wish to help in any other way, please do get in touch at steeplemordenharvestfair@gmail.com. In anticipation of your support, thank you very much indeed. We look forward to seeing you on the day!

Healthwatch Cambridgeshire is your local health and care champion.

There are lots of important conversations happening at the moment about the fit and care services. It is our job to make sure you are listened to when decisions are made and ask questions on your behalf.

Some of the conversations we've been involved in recently include:

- Hinchingsbrook Hospital merger
- Care at Addenbrookes and the Rosie
- The future of older people's health care and adult community services
- Children and Young people's mental health
- Crisis mental health care
- NHS 111 and out of hours GP care

We have also published Thriving, our report into children and young people's mental health.

We wrote Thriving to help make sure children and young people are listened to by commissioners and providers. They are using it to help redesign children and adult mental health services.

Talk to us.

We need to know how health and care is working in Cambridgeshire for you and the people who are important to you. We will listen to your experiences and share them with the people who make decisions about local services, without identifying you.

We also provide an Information Service and can help you find out about:

- health and social care services near to you
- what to do if you have a concern or complaint
- organisations that can give you help or advice

We are always happy to talk to local groups and attend events, so please do invite us. Contact us www.healthwatchcambridgeshire.co.uk or call 01480 420628.

Save Our Woodland Paths by Cheyney

Proposed changes to the public footpaths 37 and 38 have been submitted which will significantly change the route of these footpaths, and the environment that the footpaths enjoy.

The proposed changes are to the sections through woodland to the NW of Lower Gatley Farm, the area adjacent to buildings of Lower Gatley Farm, and the section from Lower Gatley Farm to Upper Gatley Farm.

The footpaths along by Cheyney Water have enjoyed a very pleasant woodland route by the stream, and the potential loss of this route is of concern. This environment is quite unique in the parish, and has been enjoyed by a wide range of users. The proposal is to re-route the path into the field to the west, so that it no longer passes through any woodland, and does not pass along by the stream. Thus the enjoyment of walking the Cheyney Water path would be lost.

Changes to public footpaths can only be made in accordance with the Highways Act 1980 (s119). A formal application is expected soon, and the statutory process will be followed.

**The “Mordens Community First Response Group”;
hopefully NOT coming to you soon!**

What is a “community first response (CFR) group” and who runs it? I hear yourself saying.

A CFR group is run by local volunteers who are trained by the ambulance service (East of England Ambulance Service in our case) to attend emergency calls in the area where they live or work. Their aim is to reach a potential life threatening emergency in the first vital minutes before the ambulance crew arrives on scene.

The volunteer’s role is to help stabilise the patient and, in doing so, keep the patient alive until the arrival of the more highly skilled ambulance crew, who are trained to undertake further life saving techniques. When a 999 call is made to the Ambulance service, the call is prioritised to establish if it is suitable to send a Community First Responder to the call. Once this has been established, the nearest available responder group is notified by the provided telephone to alert them to a call within their area. An ambulance will always be mobilised to every call that the responder group attends. A responder will attend Category A **‘immediately life – threatening’ calls**. These calls can include:

- cardiac arrest
- diabetic emergency
- unconscious patient
- breathing difficulties
- seizures

Being in the local community, the average time to reach the patient should not normally exceed 3-4 minutes, depending on location.

The volunteer will stay on the scene until a full hand-over has been given to the ambulance crew.

The Mordens group, of which I am one, have had thorough training by the East of England Ambulance Service, which will continue on a regular basis. Although we are now trained and ready to go, we are currently raising the funding to purchase the full medical kit, as well as the ongoing running costs once we go live. The initial setup per kit is circa £2000. As I write in the middle of June, in the last 3 weeks, we have received very generous donations from local businesses and individuals to take us over the £1000 mark. The Ambulance Service has kindly loaned us part of the kit until we have raised the full amount, so in effect, allowing us to become operational at the end of June. Our 12 month ambition is to raise sufficient funds for 2 full kits, thus providing a more efficient and timely service.

The group is being run by Wayne Cox and currently has the following volunteers:

- Nick Badger & Sean Comerford from Steeple Morden
- Wayne Cox, Kate Cox and Lynn Pestall from Guilden Morden

If you would like to find out more about the group, or indeed be interested in making a donation or sponsorship, we would love to hear from you. Please contact either myself, Nick Badger on (01763) 852191, 07860 537114 or mail nickmbadger@yahoo.co.uk or indeed Wayne on (01763) 853206, 07795 823376 or mail waynecox79@yahoo.co.uk

Many thanks for taking the time to read this article, I hope you found it of interest. We look forward to seeing you at the Harvest Fair in September.
