

PARISH COUNCIL NEWSLETTER April 2020

Editorial

With the Covid-19 virus taking hold no doubt by the time you receive this Newsletter we will all be in complete lockdown. Unfortunately many of the events scheduled for the next couple of months may be or have been cancelled, as we are advised not to have any large gatherings of people.

Those of you like myself who are 'supposed' to be in complete lockdown and isolation there is help on page 3, Ginny Belson is trying to arrange a group to help with shopping or obtaining essentials in and around the villages. Give her a ring or email her I am sure she will be able to put you in touch with someone nearby.

I recently took up Sainsbury's offer of shopping at 7am, a designated slot for OAP's – there was a queue of over 100 people – obviously not the answer to isolation! I shall be 'clicking & collecting' in the future!

We will get through this – we must look forward to the Spring – our gardens are looking wonderful at the moment – we now have plenty of time for the garden and the allotment!

Anthony Browne February Newsletter 2020

One of my key pledges as your MP is to help to fix our creaking transport system. We had some extremely welcome news this month when the Transport Secretary announced that East West Rail will take a northern route through Cambourne, where local commuter demand is highest. This is not only great news for Cambourne, but also for residents in Bassingbourn, who were overwhelmingly opposed to EWR taking a southern route.

The new Cambridge South Station will form a critical new transport hub for the Biomedical Campus. I have already met with Network Rail to find out more about this project and to discuss parking problems at local stations and the notoriously problematic level crossing at Foxton.

I have had a number of approaches from constituents who are worried about the rate of development in South Cambridgeshire. I share many of their concerns and will be lobbying national government to ensure that we do not become victims of our own success. Whilst growth is welcome, it must be carefully managed and local people's voices must be heard. Infrastructure should always be put in place before expansion - 'I before E' as the saying goes. You can make your views known by taking part in the initial consultation on the Greater Cambridge Local Plan - which contemplates a significant increase in housebuilding - at www.cambridge.oc2.uk.

Community Chest

Last Call for Community Chest Funding

The deadline to apply for funding from our Community Chest is March 31st.

Voluntary and Community Groups in South Cambridgeshire are invited to apply to the Community Chest Grant Scheme for funding up to £1000 to support their activities.

For the financial year ending in March, the total fund was increased to £20,000 so many more groups could be in with a chance of receiving funding than in previous years. But time is running out before the 31st March deadline.

NEWS FROM YOUR PARISH COUNCIL

The Full PC meets on the second Monday in the in the Cricket Pavilion (Village Hall in winter) at 7.30pm. The meeting is listed every month in the Village Post Office window, on the Notice Board at the Recreation Ground, and in Odsey near the station.

A copy of the full minutes from the Council Meetings may be obtained by contacting the Parish Clerk, Sally Walmesley, Redwood Lodge, South Street, Litlington, Royston SG8 0QR. Telephone 01763 852137 or e-mail clerk@steeplemorden.org. Minutes can also be viewed on the Steeple Morden Village Website www.steeplemorden.org and the Village Post Office. Brief notes on agenda items from the Parish Council Meeting on March 9th 2020 are included below.

- **Litterpick - Cllr Ginny Belson** - reported that the first Litterpick of 2020 was very successful with 18 people involved, who collected 23 bags of rubbish between them.
- **Recreation Ground Maintenance** - following the Tree survey, work is continuing in making various trees safe. Two trees in the conservation area are awaiting planning permission for work to be carried out. There is a fallen tree on the recreation ground anyone needing logs or kindling, please help yourselves.
- **Traffic - Cllr Keith Austin** the MVAS placed in Station Road is still tagging the odd few who obsessively speed past the camera. The latest data will be forward to the Police.
- **Village Website.** Work on the new website is proceeding.
- **School Parents' Car park** - a meeting with the School has been arranged for March 25th to try to resolve this problem.
- **Community Tree Planting** - the Village has been given a voucher of £50 pounds to purchase either 1 or 3 trees for planting in and around the Village. Also the Village is keen to support the South Cambridgeshire Tree Planting Scheme. £3000 has been put aside to start this project. Co-ordinators are Nettie Travers-Healey, nettieth@outlook.com and Sacha Wheatley sacha@steeplemorden.org. Further information will be forthcoming. More details are on page 4.

There will be no Parish Council Meeting in April. The next Parish and AGM meeting will be on May 11th. The Annual Parish Meeting will be Thursday May 28th.

Committee Meetings for the rest of the year are 13th July, 14th September, 2nd November, 11th Jan 21, and 8th Mar 21

Community Help Line

Hope you do not mind me contacting you - but as I know you have a social conscious I am sure you will forgive me....

I have set up an email address to allow people to volunteer to help those who will needing help over the next few months...we may all need some help at some point so be good to have a broad range of people on the list - as well as hopefully ensuring those most vulnerable are being looked after as much as possible....

If you are able to share this email address more widely so people can get in touch so we can co-ordinate the effort somewhat:

smcovidsos@yahoo.com

I am going to leaflet my closest neighbours and give them my telephone numbers - I am sure many of them will not have access to FB and the like...

If people can let me know what they are doing in the village / can do / need I will try to link people up as best I can....

More trees for Steeple – and Guilden Morden

Steeple Morden Parish Council have enthusiastically endorsed and agreed to fund a project to add more trees in and around the village. Plans are also afoot in Guilden Morden to run a similar project.

Trees are beautiful, provide a much needed habitat for wildlife under severe pressure, help to reduce air pollution, improve mental health and wellbeing, and mitigate the worst effects of climate change - because trees remove and store carbon from the atmosphere.

The best trees for supporting wildlife are generally those that are native to the UK and will thrive on our local soils. We'll aim to source trees of varying sizes, suitable for different situations, and have been raised from native UK bred stock - with advice from the Woodland Trust and Tree Council.

Everyone in our villages will be invited to get involved in some way to add more trees to our local landscape.

This could be by:

- Offering a space for a tree in your garden – especially front gardens or with public paths alongside so they can be enjoyed by all.
- Suggesting a space in the village you think would be suitable for a tree.
- Local landowners, councils or groups offering to plant a tree or trees on their land – or allowing trees to be tagged in their hedgerows to allow them to grow into mature specimens.
- Volunteering to help plant trees or adopt and care for a newly planted tree for its first few years.
- Planting won't begin until October at the earliest – so first we'll be gathering your ideas and offers over the coming months. We hope you'll join in, and that thinking about trees will give you something positive and hopeful to think about in these difficult days. Next time we'll give more details of how to get involved. So watch this space!

Extracts from the Church Council AGM March 8th 2020

The PCC wish to record their grateful thanks to all who supported the running of our church last year.

To the flower arrangers for their time and skills throughout the year, especially at Festivals, Weddings and Funerals when the church is always particularly welcoming.

To all those who volunteer to keep the church clean and tidy each week.

To those who gave their time at fund raising events for the church which included the 'Spring Fair and Gift Day' in April, 'Cream Teas at the McKees' in September, and the 'Bring and Share Harvest Lunch' held in the church in October.

Special thanks to all who participated in another successful Christmas Tree Festival in the church in November when over 30 individually decorated trees from village societies and clubs were displayed, with great support from the school when each class year submitted a tree.

Café Church continues to be held every Friday during term time – and we thank in particular those who help each week, making cakes and serving bacon butties, teas and coffee.

Thanks to David Crow, David McKee and Tim Draper who maintain the War Memorial flower beds and the Garden of Rest.

Finally, thank you to **The Friends of SS Peter & Paul** for their fundraising to maintain the church fabric, and most recently for their contribution towards the new lighting in the church.

Steeple Morden's Tree Planting Team

On 18 March Adam and Louise Bailey, Sue Norton, Nettie Traverse-Healy and Councillor Sacha Wheatley planted two trees on the conservation area near the tennis courts. The trees – a hornbeam and a whitebeam - were given to the village by South Cambs District Council and needed to be planted by the end of March. They will be watered over the summer and will hopefully be the first of many more new trees in the village when the community planting scheme gets underway next autumn.
