

PARISH COUNCIL NEWSLETTER December 2019

Editorial

The Autumn colours this year seem to have surpassed themselves. The Beech woods around Baldock and Royston have been especially colourful. The leaves seem to have stayed on the trees longer this year no doubt due to the lack of a really hard frost.

On Wednesday 13th November, an open planning meeting was held to discuss the new outline planning for the Orchard site in Station Road. If you wish to make your views known now is the time to contact SCambs planning.

The Diary for December as you would expect is very 'Christmassy' with a Christmas Lunch, Market, Concert, and a Children's Nativity Play.

We don't have a pantomime this year but we do have a rather 'spooky' play the 'Wyrd Sisters'.

Wishing you all a wonderful Christmas & New Year.
Desma.

Open Arms – Making connections

There's thought to be 50,000 people at risk of loneliness in Cambridgeshire, so chances are some of them live near you. With winter approaching, life may get lonelier; we all tend to stay indoors for longer. For some people, ill health and bad weather may confine a greater number to their homes, the fear of falling in icy weather and darker nights mean they're too nervous to go out. Working neighbours may be out all day, so they'll see few people during the week.

Villages are great at keeping the community connected, though it's easy to overlook the impact of seasons. In winter, timing events or meetings in daytime, or providing door to door transport, can help to prevent isolation. Helping with shopping, especially bulkier items, gives an opportunity for a chat, or sharing a treat.

So, making connections, however small, can mean so much, whether it's smiling, chatting at the checkout, catching up with friends by picking up the phone or contacting them through social media. Keeping connected by knowing what is happening in your community gives a sense of belonging which improves wellbeing.

The Open Arms project supports action against loneliness so if you have an idea that could help build connections in your community we can help you to make it happen.

Lead theft from churches and what you can do to help prevent it

There have been a number of serious lead thefts from churches local to us recently. Your help in keeping a watchful eye for suspicious activity is much appreciated. Please note vehicle numbers and alert the police if you see anything suspicious. Thieves often remove a small amount of metal at a time, making repeat visits to clear the site. Alerting police may help them identify and catch criminals. Please call the police if you see vans or workmen around the building outside normal working hours. Please be extra watchful when works are going on, as buildings are attractive to thieves if there are workers or scaffolding on site

NEWS FROM YOUR PARISH COUNCIL

The Full PC meets on the second Monday in the in the Cricket Pavilion (Village Hall in winter) at 7.30pm. The meeting is listed every month in the Village Post Office window, on the Notice Board at the Recreation Ground, and in Odsey near the station.

A copy of the full minutes from the Council Meetings may be obtained by contacting the Parish Clerk, Sally Walmesley, Redwood Lodge, South Street, Litlington, Royston SG8 0QR. Telephone 01763 852137 or e-mail clerk@steeplemorden.org. Minutes can also be viewed on the Steeple Morden Village Website www.steeplemorden.org and the Village Post Office. Brief notes on agenda items from the Parish Council Meeting on November 13th are included below.

- **County Councillor Mr S Kindersley** - reported that the Bus Service linking Ashwell to the train station could be extended to include Guilden and Steeple Morden if there is enough uptake. Contact Cllr Kindersley if this is of interest to you asap. The route for the Cambridge/Oxford railway has yet to be decided but it is imperative we have a fund of £50,000 ready to fight to change the southern route. The A505 recently underwent an AMPR survey for 1 week, which showed only one person turning the wrong way at the Odsey junction. They were not local.
- **District Councillor Heather Williams** - reminded people using the postal voting system to post their votes asap. All taxis in Cambridge are to have a panic button fitted. Cllr Williams was going to check on methods of recycling bottles/tins after events held on the Recreation Ground and Village Hall.
- **A505** - Herts C.C is not going to alter the Steeple Morden junction. But it plans to close the right to cross the A505 to turn towards Baldock at the Litlington crossing.
- **Litterpick** - two successful Litterpicks have taken place with a 'good turnout' of pickers. Over 20 bags of rubbish have been successfully recycled
- **Bluegrass Festival** - following a letter received from Mr C Whittington, there would be no charge for waste at the next Festival 2020. The Parish Council are looking for ways to recycle bottles and cans from events taking place at the Village Hall. All waste collected from the Hall and Recreation Ground, at the moment, goes into a 'general' waste bin.
- **Maintenance, Traffic, and Street Lighting upgrade** - to be discussed at the December Meeting.

The next committee meeting will be held on 9th December at 7.30pm

**Open Planning Meeting to discuss Exception Site - The Orchard, Station Road -
Planning Observations and Comments.**

A revised outline plan for the Orchard Site was presented. This now consists of 5 affordable houses and 3 marketable houses. The buildings are to be set back from the road, keeping the hedge and tree line frontage. The remainder of the site will be kept as is, with some remedial work to the trees and surrounding woodland. All work will be done in such a way as to not endanger the existing wildlife and fauna.

Questions were asked as to how many trees will be removed. Concerns were also expressed over the Ash trees at the front of the site, whether in the event of Ash Dieback, they would be removed and replaced. The depth of the site will be similar to other houses on Station Road. The two houses adjoining the site, 14 & 12, will have a wide tree line boundary between them and the Orchard site. The construction if finally passed will take approximately 18 months.

Further comments or opposition to the above outline plans should be made to www.scambs.gov.uk/planning/view-or-comment-on-a-planning-application/

Planning Applications:

Exception Site The Orchard, Station Road – Planning comments and observations.

Comments from the Parish Council – there should be an up to date ecological survey, the frontage should be retained, environmental upkeep in perpetuity, and no building work to take place at weekends. Final agreement to be made on S106 planning application.

Planning Ref S/3585/19/FL

The Coach House, 47 Cheyney Street – garage conversion and single storey extension.

Refused, over development

Planning Ref S/3624/19/FL

2A North Brook End – change of use of garage/garden store to dwelling. **Refused**

Planning Ref S/1887/18/OL

Land between 12 and 14 Station Road – Outline planning permission for the construction of a rural exception scheme comprising of 8 dwellings (5 affordable and 3 market home) will all matters reserved except for access. **Supported, provided the above comments are adhered to.**

For your information -

An **exception site** is a **site** outside the village framework/development boundary which would never normally get planning consent but may be considered where it provides affordable homes for local people.

A **Section 106** agreement (S106) is a legally binding private contract between a developer (or a number of interested parties) and a Local Planning Authority (LPA) that operates alongside a **statutory** planning permission. ... Planning permission is sometimes granted subject to the signing of a S106.

Treasurer wanted!

After 17 years as treasurer of Steeple Morden Church I am resigning at the end of this calendar year. Anyone able to take over from me, or wanting to know what is involved, can give me a call on 01763 852138 or email me at phil@pdcompsys.com, please.

You do not need to be a regular church goer and neither do you need to be formally trained in accountancy. You do need to be computer literate.

Part-time Caretaker Vacancy

3 hours per week, term time only

Level 1 point 3, £18,065 pa (pro rata), £9.36 per hour

Steeple Morden Primary School is a friendly and welcoming village school with approximately 200 pupils on roll. We are at the heart of a thriving village community.

We are seeking to recruit an enthusiastic and motivated part time Caretaker to undertake all aspects of legal compliance testing including fire alarms, COSHH records and Legionella water testing on a regular basis, with training. In addition, you will be responsible for checking weekly oil levels, replenishing cleaning stock levels and small DIY tasks. You may also be required to be a named school key holder for access to school. You will work alongside our cleaning staff and Business Manager, ensuring the school runs smoothly and efficiently.

In addition, the successful applicant will have additional flexibility to work a small number of additional hours, as required, to undertake other similar jobs, including minor DIY tasks. Whilst this is a term time position, availability to work extra hours during school holidays would be an advantage. *Experience in a similar professional role would also be helpful but this is not essential, however, you must have competent DIY skills and have a good basic understanding of general H&S.*

The hours will be 3.00 pm – 6.00 pm one day per week, term time with some additional hours during school holidays as required. *Flexibility is key in this role.*

If you are interested in this position, or would like more information, please email A.Taylor@steeplemorden.cambs.sch.uk. Please note, as an environmentally friendly school, application packs will be emailed to applicants where possible.

We are committed to stringent safeguarding procedures and applicants will be subject to a full enhanced DBS check. In addition, references will be undertaken prior to interview. As an equal opportunities employer, we welcome applications from all members of the community.

Guilden Gaumont Film Club update

The Club which has just started its third season is run as a not-for-profit group formed in 2017 by a few film enthusiasts who wanted to share their interests with villagers and hoped it would be of interest when they advertised it locally.

We currently have 65 members which is the venue limit for insurance purposes. We currently have no-one on the waiting list. Existing members are invited to renew in August for the new season and any available memberships are offered to those on the waiting list on a first come first served basis..

The third season started in September with about 10 shows ending next June at the Club AGM. Members are asked to send their film suggestions to the committee who select the programme for the season; so far this has been very well received as we have a full membership!

The fee is £20 per member for the entire Season and is not refundable.

Reminders of the show date and film details are e-mailed to members about a week in advance of the next show.

Each show is at the Chapel school room in Guilden Morden & usually doors open at 7pm for raffle & drinks etc. then an 8pm start with an interval for drinks and ice creams.

If you wish to be added to the waiting list please let me know as soon as possible.

The Club is managed by a Committee which is proposed and voted for at our AGM each June.

This currently comprises the following members;

Gerry Watkins; Chairman

Mike Alton; Technical

Gina Ferrari; Secretary

Anne Allen; Front of House

Howard Robbins; Treasurer, Membership & Marketing

We also have a list of members who volunteer with front of house, get in etc....every member is welcome to be involved should they wish, after all, it is their club!
