Celia Upchurch and Sue Norton have been co-opted as councillors and the appointments agreed by the Parish Council

The Mordens Community First Responders (MCFR) have had an offer from a third party to provide first aid training (not just but including defibrillator training) to a number of parishioners at no charge. They will provide training equipment including defibrillators and resuscitation test dummies. The Parish Council will liaise with Mark Crankshaw who has a list of people who would be interested and will arrange a location and timetable.

The Parish Council have agreed to subsidise the Mordens Community First Responders Group to the sum of £500 to help them buy a second set of equipment to assist them in their objective of delivering a greater level of cover.

It is generally agreed that the A505 junction at Odsey could be made safer however those responsible for it and any redevelopment according to Councillor Murfitt do not agree and don't have it as a priority. It is unclear whether this is because of the way they record their data or how they interpret it. Councillor Murfitt has offered to investigate but would ask all parishioners to let her know of any incidents they are aware of. See her notice on page 4.

The Parish Council are considering transferring the website to a new provider and will be inviting tenders for the work.

The telephone box on the Green will be adopted by the Parish Council who will take ownership and responsibility for it.

The Odsey Junction Action Group members are trying to bring the Hertfordshire County Council statistics up to date. If you have witnessed an accident at the junction or come across one when personally using the junction, please could you send details to me e.g. Date, time, how many vehicles involved, if the police and the ambulance service were involved, the number of people injured, whether vehicles were written off. Any information you can give would be very helpful. At present, HCC does not consider our junction to be dangerous enough for it to have more than the minimal amount of money spent on it. We have secured an agreement that lines will be reinstated and greenery cut back but a roundabout or even a reduction in the speed limit are considered too expensive. We know the junction is dangerous but we have to prove it. Please can you help? Any information you can give will be gratefully received.

Many thanks,

## **Important Meeting in Steeple Morden Church**

There will be an open meeting at approx. 11.00 am, in Steeple Morden Church on Sunday, 20<sup>th</sup> November, after the Family Service, to discuss the internal fabric of the church (installing toilet and kitchen). Please do stay after the Family Service, or if you are unable to come to the service and wish to be part of this discussion, then do come to the meeting. There will be some refreshments!

If you wish more details, then please contact me, Rose Dickinson 852138.

We are pleased to announce the Steeple Morden Harvest Fair 2016 made over £4000. It was a wonderful day, and once again no rain!

Many thanks to all who helped, in the months of planning and of course on the day. There are so many reliable regulars who always rise to the challenge and show what community spirit is all about.

The organising committee will meet in the next week or so to see how the funds are to be shared.

After three years, Jonathan is stepping down as Chair so we are looking for a volunteer to come forward and take up the reins. Email us at [steeplemordenharvestfair@gmail.com](mailto:steeplemordenharvestfair@gmail.com) if you are interested. Planning usually commences in February and there are around five or six planning meetings before the big day.

We will be in touch with the local organisations that participated, in the next couple of weeks.

Once again a big thank you to all involved in making the fair such a success.

The Organising Committee

Coach outing to  
**Christmas at Waddesdon Manor**  
(near Aylesbury)

Sunday 4th December 2016

Leaving S.M. Hay Street 10.30 a.m. Arriving W.M. 12.15 p.m. approx.

## **Hinchingbrooke Hospital debate**

Free Public Meeting - Monday 7 November

7-9pm at The Maple Centre, 6 Oak Drive, HUNTINGDON, PE29 7HN

Hear both sides of the debate about the proposed merger between Hinchingbrooke Hospital and Peterborough & Stamford Hospitals. Healthwatch Cambridgeshire has invited leaders from Hinchingbrooke Hospital and the Hands off Hinchingbrooke group to share and debate their views for the future of the hospital. Both have accepted.

You will be able to ask questions of both sets of speakers.

To find out more contact Healthwatch Cambridgeshire on 01480420628 or visit  
[www.healthwatchcambridgeshire.co.uk](http://www.healthwatchcambridgeshire.co.uk)

## **COMBERTON RAMBLERS**

Walking is good for you, good for everyone!

Going for a walk is good for your body, your mind and the environment.

For such a simple activity, the benefits are endless. It's good for your health; it lifts your mood; it's a sociable activity; and a great way to meet new people. It also counts towards the recommended 150 minutes of physical activity you should be doing each week.

So why not join the Comberton Ramblers.

For further information please contact Stella the Secretary.

Email: [stella.ramblers@hotmail.com](mailto:stella.ramblers@hotmail.com) Tel: 01954 210049  
Website: [www.combertonramblers.org.uk](http://www.combertonramblers.org.uk)

---

As you probably very aware the NHS has become seriously overloaded and may be nearing breaking point but there is something we can do to take some of the pressure off; put simply we need to do everything we can to stay healthy. Many people have contracted health issues through no fault of their own but some of us including me have developed health conditions because of poor lifestyle choices and not knowing any better and that can't continue. I want to believe given the knowledge and opportunity we would all choose to lead healthier lives if it meant increasing our chances of living longer and better lives. This is the first of a series of health promoting articles aimed at increasing knowledge and identifying opportunities to develop and maintain a healthy lifestyle which hopefully will play some small part in reducing the need for health related services both physical and mental within our community and beyond.

I had to develop a long term health condition before the penny finally dropped for me. I was diagnosed with type 2 diabetes back in 2006 at the age of 51. What I discovered was although it was my fault because of my unhealthy lifestyle I could and would have done something about it had I known I was at risk. Type 2 diabetes is hereditary and 80% of people when diagnosed are overweight so if you are at risk because it's in your close family it makes sense to not become overweight. When my mother told me she was diabetic my second thought should have been that I am at risk too but it wasn't I didn't know any better so I ended up with the condition potentially 20+ years earlier than perhaps I should. Diabetes consumes something like a sixth of the NHS budget but is 'delayable' and potentially preventable but lack of knowledge and opportunity (particularly to be physically active) makes it an ever growing problem. More and more people are developing type 2 and at a much younger age (which sadly now includes children) but it doesn't need to be like this.

The onset of many health conditions, disorders and diseases can be delayed and even prevented by adopting a healthy lifestyle including heart disease, strokes, high blood pressure, some cancers, type 2 diabetes, obesity, joint pains, sleep apnoea, COPD, osteoporosis, stress, anxiety, depression and dementia, it can also reduce the effects of age. Likewise many of these issues and others (including some neurological conditions) can be treated and improved by implementing a healthy lifestyle.

Most people have some concept of what constitutes a healthy lifestyle but this is far too often a sub-set of the full story and even that may well have been compromised by misinformation provided by various vested interests. If you want to implement a healthy lifestyle you need to what one 'looks' like if you are ever going to have any chance of developing and then maintaining one.

So what are the key components of a healthy lifestyle?

- A well balance diet
- Ample physical activity/exercise
- An appropriate weight and waist measurement
- An adequate amount of good quality sleep
- A manageable level of stress

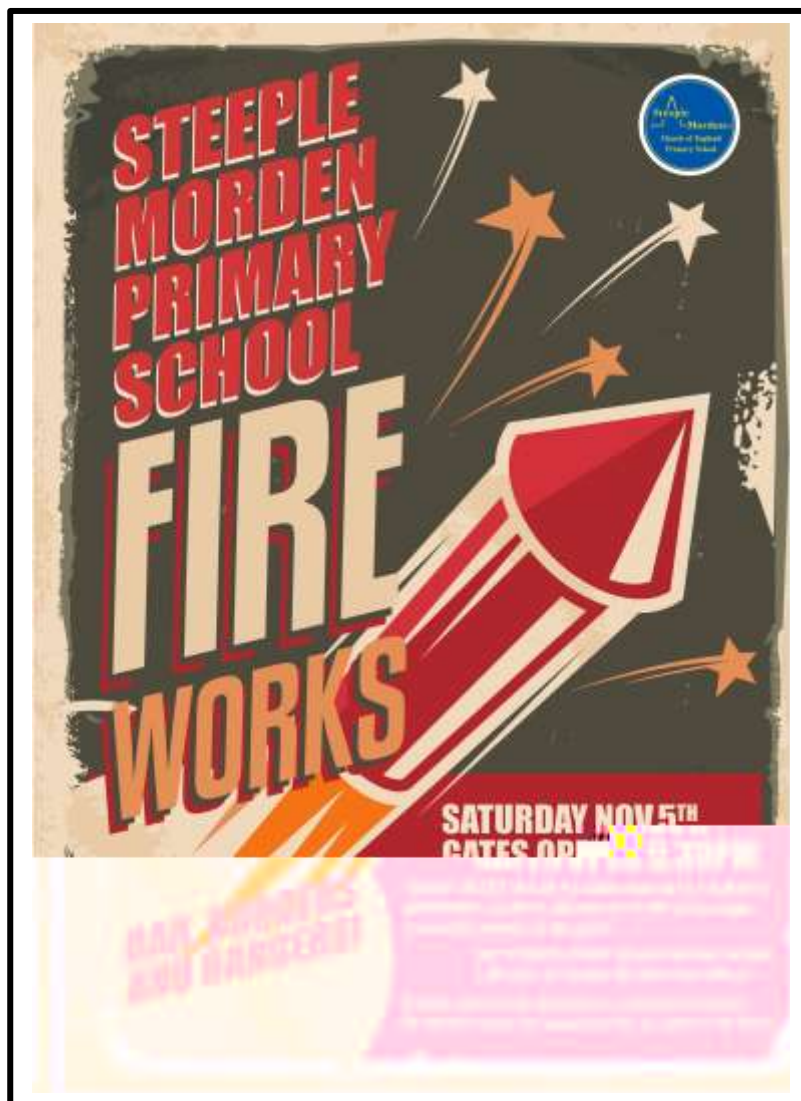

In future articles we will be looking at each of these components in more detail and considering how best to work with your body rather than against it; there will also be an article on preventing type 2 diabetes. If there are particular health issues you would like covered please let me know likewise if you have an interest in promoting health in our community.

Everyone has the right to choose their own lifestyle but we also have the right to have enough knowledge to make informed decisions – perhaps these articles will help. Ignorance may be bliss but believe me when it comes to health knowledge is power.

## Heidi Allen MP, Newsletter no. 12

So, autumn is upon us and the return to Parliament has started with a bang. I'm keeping a close eye on some of the new legislation coming through as I believe there may be some great opportunities. Through the Digital Economy Bill I want to explore whether we can legislate for all TV companies to provide subtitles. Also, a universal broadband standard could be transformative for the constituency. The Neighbourhood Planning Bill could set mandatory levels of accessible housing in all new developments, something our disabled and elderly residents know is often in short supply. If you have ideas regarding any of the new legislation, please do keep them coming.

Of course, a busy week in Parliament is always matched by busier weekends in the constituency. I visited a number of fundraising events during the last of the summer sunshine - the Steeple Harvest Fair which I was delighted to open (and even better - judge the children's fancy dress and dog classes!), Guilden Morden Food Fayre and the Orchard Manor Summer Fete. All had a great turnout and I am thrilled to see Orchard Manor in Meldreth thriving under new owners, Aurora Care. I campaigned to keep this vital facility open and it's brilliant to see it growing.

I kept up my contact with local NHS organisations by meeting with the incoming Chair and Chief Executive of the CCG, and attending the 250th Anniversary celebration for Addenbrooke's Hospital. It didn't surprise me to hear that Addenbrooke's was the first hospital to deliver bedside examinations; they continue to provide outstanding care for our constituency and I'd like to take this opportunity to place my thanks on record for the outstanding service they provide.

On one particularly busy day, en route to Sawston Nursery to hear about the challenges of providing government funded childcare and Babraham CoFE School (what a fantastic school!), I stopped by Reed Autos in Foxton who were hosting a 'Green Garage Event'. They're aiming to do their bit for the environment by providing courtesy electric cars and bicycles. Not only did they source an emergency tyre for me the very next day when I had a puncture, they have also just won the East of England Apprenticeships award for 2016. That's what I call a full service! Thanks and well done to Reeds Autos.

I also dropped into Gilead Sciences who are one of our bioscience pioneers in Granta Park, pioneering investigational drugs for cancer, HIV and hepatitis C. My inner science nerdiness really enjoyed hearing from such a passionate and forward focused team. South Cambridgeshire has an unrivalled reputation for bio-sciences and it's important we support them as we transition through Brexit.

I had an extremely positive meeting with Stephen Kelly, the new Joint director of Planning and Economic Development at South Cambs District Council. He is dedicated to improving the service of his department and is determined to make planning a fair and transformative system for all. The job isn't going to be easy but he is committed to delivering change and I support his initiatives to recruit more planners to his department which will give a better service to all.

You might have seen the new Constituency Boundary Proposals which came out in September. You can see what is suggested for South Cambridgeshire and have your say by visiting this website [www.bce2018.org.uk](http://www.bce2018.org.uk) I was bitterly disappointed to see suggestion that the Mordens, Bassingbourn and Melbourn be moved into a Hertfordshire constituency. If you feel as I do, please make your voice heard! They are part of South Cambridgeshire and always must be.

As always, please do get in touch with any issues and you're welcome come to my "no appointment needed" drop in surgeries. The next dates are Saturday 19<sup>th</sup> November and 10<sup>th</sup> December. You can find full details on my website [www.heidisouthcambs.co.uk/residents-drop-surgeries](http://www.heidisouthcambs.co.uk/residents-drop-surgeries) or drop me an email at [heidi.allen.mp@parliament.uk](mailto:heidi.allen.mp@parliament.uk) or call my office at 01954 212707.

– first come, first served basis.

This is YOUR opportunity to tell local people about your local business!

## **Royston & District Model Railway Club**

The Royston & District Model Railway Club will be holding its 30th Annual Exhibition at Bassingbourn Village College on Saturday the 19th November 2016.

The exhibition will be open from 10:30 am until 5 pm.

We hope to have about 25 layouts present with the remainder of the stands being Traders, Demonstrators & Society -based. Tea, Coffee and light refreshments will be available.

Miniature train rides by members of the Royston & District Model Engineering Society on their outside track (Weather permitting!). Admission £5.00 per Adult and accompanied children are free.

We intend to run a bus service between Bassingbourn Village College and Royston Bus & Train Stations on the day.

Please visit our web site [www.roystondmrc.co.uk](http://www.roystondmrc.co.uk) for further/updated information.

## Do you want to have a say in improving services from Health or Social Care?

Cambridgeshire Alliance for Independent Living is a local independent charity that works to improve services by raising the voice of people living with all disabilities.

One of the ways we do this is by bringing people with all disabilities and carers (called Independent Members), Health and Social Care teams, and voluntary sector organisations (such as Age UK, Voice Ability, Cam Sight and the Carer's Trust) together at 'Partnership Board' meetings.

The Partnership Boards are opportunities for you to have your say about what is good about Health and Social Care services, such as home care and day centres, and what you would like to improve or where you would like to see changes. Recent activities by the Partnership Boards include raising concerns about Home Care, which are now being examined closely by the County Council, involvement in helping to develop a new Carers Strategy and involvement in the process for choosing organisations to run Carers Services.

Interested in getting involved? We are looking for new Independent Members to join our boards. We offer full training and support, out of pocket expenses and reimbursement of travel. If you think this could be you, please contact Leisha O'Brien, Development Officer at Cambridgeshire Alliance for Independent Living by phoning 0300 111 2301 or email [leisha@cambridgeshirealliance.org.uk](mailto:leisha@cambridgeshirealliance.org.uk)

To find out more, take a look at Partnership Board pages on our website [www.cambridgeshirealliance.org.uk](http://www.cambridgeshirealliance.org.uk)

Under 8 - Laurence Harrison – 07799625529. [laurence.harrison@digitalradiouk.com](mailto:laurence.harrison@digitalradiouk.com)

Under 9 - Andrew Holt – 07850801899. [andrew.holt@arjconstruction.co.uk](mailto:andrew.holt@arjconstruction.co.uk)

Under 10 - Pete Summers – 07709258359. [peter@summerselectricaltd.co.uk](mailto:peter@summerselectricaltd.co.uk)

## Have you checked when your concessionary BUS PASS runs out?

It's up to you to check when it does and get it renewed.

If you don't and your pass has expired you will be refused free travel.

Passes can be renewed up to 6 weeks before their expiry date.

Just go to [www.cambridgeshire.gov.uk/concessionary](http://www.cambridgeshire.gov.uk/concessionary)

If you can't get your renewal done online then call the number printed on the back of your pass.

There is a manual wheelchair available for short term use by anyone in the village. For more information and availability please contact Trish at the Post Office.

### CUTLERY AND CROCKERY HIRE

**Save the Children®**

We have upwards of 80 sets of dinner plates, dessert bowls, cups and saucers with accompanying knife, fork spoon and teaspoons. We charge 5p per item for hire.
