

PARISH COUNCIL NEWSLETTER

October 2017

Editorial

Hello again!

Well, so much for the Indian summer I was hoping for... September felt like we were launching straight into autumn and despite writing this on a beautiful sunny morning there is a distinct chill in the air and the leaves are turning. A season of mists and mellow fruitfulness is upon us indeed!

There seem to be a record number of things happening during October so do check the village diary carefully to make sure you are not missing out. There certainly seems to be something for everyone from social evenings, talks and outings culminating at the end of the month with another offering from The Morden Players who will be having a three night run of the hilarious farce "Funny Money" by Ray Cooney. Rehearsals are well underway and it promises to be great fun. You will even be able to see yours truly prancing about and making a fool of myself, so what are you waiting for - tickets are on sale at Steeple Morden Post Office.

As ever, hope to see you at some of these numerous events.

Waste Collection: Green Bins

Some residents have found their green bins are not being collected. This is because they have been found to be contaminated with plastic and even just one contaminated bin means the whole lorry load is contaminated and ends up in landfill. That is an awful waste of tax-payers' money especially as the cost for using landfill sites is increasing because the land available for landfill is decreasing.

In future, please do not use the bags you can buy from Tesco and Sainsburys for your kitchen waste such as potato peelings and left-overs. Even though the bags are marked "Recyclable and Compostable" they take a very long time to decompose and therefore foul up the composting system.

South Cambs. District Council can supply acceptable paper bags at a cost of £4.50 per 50 bags. For the Mordens Ward, I am willing to order these for you and deliver them to your door if you let me know you would like some.

HOOP

This is news of a 6 month pilot project working with South Cambridgeshire District Council which launched at the beginning of August in South Cambridgeshire – HOOP (Housing Options for Older People).

The project offers specialist housing advice and support to older people. The customer journey starts with a questionnaire asking older people (over 65s) about their home and how it suits them. This can be completed on line or via a leaflet. The answers are then used to put people in touch with local housing options support services and community groups that can provide a mixture of practical support and advice with the aim of helping people to make informed choices about their housing and wellbeing at an early stage.

This is only the second place in the Country the service has been localised, up until now HOOP has been a national tool. We want all people to live independently in their own homes for as long as possible and are committed to helping them to do that. It is hoped that if the pilot is successful, a full Cambridgeshire HOOP tool will be developed in 2018. We are starting a programme of rolling communications to let people in South Cambs know about it – leaflets have been produced and dropped in a number of places in the district such as GP surgeries, libraries etc. and a targeted Facebook ad was launched last week in Linton and Sawston. An article will also be going in the SCDC .

NEWS FROM YOUR PARISH COUNCIL

The Full PC meets on the second Monday in the in the Cricket Pavilion (Village Hall in winter) at 7.30pm.

The meeting is listed every month in the Village Post Office window, on the Notice Board at the Recreation Ground, and in Odsey near the station.

A copy of the full minutes from the Council Meetings may be obtained by contacting the Parish Clerk, Sally Walmesley, Redwood Lodge, South Street, Litlington, Royston SG8 0QR. Telephone 01763 852137 or e-mail sally.walmesley@btinternet.com. Minutes can also be viewed on the Steeple Morden Village Website www.steeplemorden.org and the Village Post Office. Discussion on agenda items at the meeting on 21st August included the following:

Comment from Parishioner – A parishioner expressed concern about the scrap yard at Odsey. They have extended beyond their designated area, they are ignoring their operating hours and they are widening their remit from scrap to servicing and new parts, pre-empting any planning applications. The parishioner has complained to the County Council and the PC agreed to back his complaint.

Report from District Cllr Cicely Murfitt:

- There is little to report at this time of year but the PC were alerted to a useful resource on the council website “what goes in which bin” to help with rubbish recycling. <https://www.scambs.gov.uk/what-goes-which-bin>
- It had been noted that refuse collectors had been seen emptying the contents of the paper caddies into the body of the blue bin raising the question of why we should separate the rubbish. Apparently scrap paper prices are very volatile and the price makes it not worth recycling separately at the moment. However this is subject to rapid change so the advice is to continue to separate paper.
- Permission had been granted for 14 new houses on Trap road in Guilden Morden.

Report from County Cllr Sebastian Kindersley:

- The Guided bus way is in a very poor state of repair and needs £36 million for immediate repair. Alternatively on-going repairs are estimated to be in the region of £100 million. The council are pursuing this through the courts to get funding from the constructors.
- The 127 bus route has been rescued but parishioners are to be encouraged to use this subsidised route so not to lose it in future.

Matters arising from last meeting

PC donation to the church for roof repairs: The PC has received conflicting advice. Legal advice via CAPALC says the 1894 Act prevents the PC from donating for church buildings, whilst the Department for Communities and Local Government has advised that it is probably OK. The PC decided to give a larger than usual donation for the churchyard grass cutting for the church to use where necessary.

Recreation Ground.

- There is a problem with the access gate to the play area which has been broken and now needs to be repaired.
- There is a broken frame on the cricket nets which is dangerous. PC to write to cricket club to ask them to repair this.
- The willow tree will be dealt with after harvest is finished.
- The drains are due to be repaired on 30th August.
- Agreement has been reached on the repair of a neighbours fencing.
- Historically the weeding around the Village Hall and the Bowls club hedging was done by John Jarman. VH committee and bowls club are to be asked to take responsibility for this.
- The light in the disabled toilet need a new bulb.
- Items for the notice board should go to Angela Drew or Sue Norton
- Mark Rogerson has agreed to cut the meadow.

Footpaths –Footpath 7 – posts have gone up ready for new markers.

Litter – The next litter picks are scheduled for 9th Sept and 7th Oct. There is £150.07 remaining from the lottery grant which will be spent on more new kit unless there are other suggestions.

Planning Applications considered by the Parish Council

- **Planning Ref S/2735/17/FL 2 North Brook End – Two storey side extension and alteration to existing roof (Mr Belson) recommended**
- **Planning Ref S/2754/17/FL– 5 Cheyney Close – the replacement of a 1.2m high existing wire stock fencing with 1.2m high wood picket fence (Ms T Harding) recommended**

Litter Pick Update

Thank you to all who came to the September litter pick – due to the fantastic turnout we were able to cover all the northern end of the parish and the footpaths that lead off Hay Street.

The good news is there was not a huge amount of litter collected in September but the bad news is there is a limited but general scattering of litter across all the zones already covered across the parish.

So for the next pick on Saturday 7th October it is proposed that we meet again by the **entrance to the recreation ground and the village hall** and we do a complete sweep of the village covering all zones as far as possible.

The November pick on Saturday 11th November will be in Odsey – Zone 1; unfortunately quite a lot of litter has built up there since the last pick back in March.

All Zones 2- 7:	Across village sweep	Saturday 7th October
Zone 1:	Odsey	Saturday 11th November

Please email SMLitterpick@yahoo.com with your full name and which of the events you can attend.

Steeple Morden Village Hall Committee has secured a grant which covers most of the cost to replace all 120 chairs in the hall.

The old chairs, which we believe have been there since the hall was built in the 70's have served us well but were looking tatty. They also were quite low and for, longer periods of time, very uncomfortable.

After a great deal of effort, Trish Burton – the hall treasurer won a grant from the Dulverton Trust Fund, a charitable fund managed by Cambridgeshire Community Foundation, for £3,000. The chairs cost us about £3,300.

We are delighted with the new chairs which look amazing and are so much more comfortable, we hope they last us for many years to come.

Anyone hiring or visiting the hall can help us with keeping the chairs in good condition by:

- Not stacking chairs more than 8 chairs high
- Wiping any spillages immediately to avoid any permanent staining
- Adhering to: The use of the chairs outside of the Village Hall is strictly forbidden

We look forward to welcoming you to Steeple Morden Village Hall soon, where you can see (and use) the new chairs for yourself.

Allotments For Rent

Would you like the satisfaction of growing your own veg, saving a few pounds on your shopping bill and possibly making new friends along the way?

Our site on the edge of the village has now been established for four years. We are a small, friendly, lively, enthusiastic (and mixed ability!) group of members, with around 20 plots on site. Due to changes of circumstance, one or two have recently become available so we would love you to join our thriving community of Allotmenters!

We have 'full size' and 'half size' plots – perhaps you would like to share with a friend or neighbour, or give your children the chance to learn more about where their food comes from by growing their own?

It is a self-contained, locked site with a water supply and communal composting, and you can put a shed on your plot if needed.

So if you want to be eating fresh Asparagus in April and your own Leeks in December please get in touch!

A focus on local business

In support of promoting local businesses, the Newsletter is inviting local businesses to submit a short advertorial about the products and services they offer to be included in a future Newsletter.

The advert is to be written by you and can include a couple of photos. The articles need to be no more than half an A4 page including photos or graphics. Send to newsletter@steeplemorden.org

This is your opportunity to tell local people about your local business.
