

PARISH COUNCIL NEWSLETTER

September 2017

Editorial

For me, September always has more of a New Year feel to it than January. I suppose it has something to do with having been a teacher but the thrill of new books and pencils and the prospect of a fresh start has never quite left me at this time of year. And there are plenty of new things coming up in our villages for us to look forward to over the next couple of months. There are charity coffee mornings, cream teas, celebration dinners, quizzes and dances, and even a fun run too. I always think we are very lucky living where we do when there is so much going on to keep us busy and entertained. We are spoiled for choice.

And if you fancy a new challenge this autumn, why not consider taking on an allotment (page 10) or volunteering with the Morden's First Response team. (page 7) or possibly joining in with the latest litter pick (page 9).

August has been so unsettled with sun one minute and blustery rain the next I'm hoping we might have an Indian summer in store for September too... we can but hope!

As ever, I hope to see you out and about at some of these events. Bye for now!
Gina

Waste Collection: Green Bins

Some residents have found their green bins are not being collected. This is because they have been found to be contaminated with plastic and even just one contaminated bin means the whole lorry load is contaminated and ends up in landfill. That is an awful waste of tax-payers' money especially as the cost for using landfill sites is increasing because the land available for landfill is decreasing.

In future, please do not use the bags you can buy from Tesco and Sainsburys for your kitchen waste such as potato peelings and left-overs. Even though the bags are marked "Recyclable and Compostable" they take a very long time to decompose and therefore foul up the composting system.

South Cambs. District Council can supply acceptable paper bags at a cost of £4.50 per 50 bags. For the Mordens Ward, I am willing to order these for you and deliver them to your door if you let me know you would like some.

scambs.gov.uk – website

A very useful tool if you wish to report or need information on the following items – Bins, Council Tax, Benefits, Business, Planning, The Council, Community, Building Control, Elections, Environment (which includes drainage, dog fouling, abandon vehicles, tipping, graffiti, litter, pestcontrol, and street lighting), Housing, and Transport (which includes senior railcards, street care and cleaning, bus timetables, roads and street maintenance, and community transport)

The site is quite easy to use, for example if you are reporting a pothole, dropped drain, or a blocked drain, you click on the Report It icon. Open up all the icons for all the services, choose the icon you need (Transport for potholes), (Environment for drainage) then follow the instructions which will ask for your postcode and mark the pothole or drain on the map. You should receive a confirmation email confirming your enquiry has been received, and even a date when it may be dealt with.

NEWS FROM YOUR PARISH COUNCIL

The Full PC meets on the second Monday in the in the Cricket Pavilion (the Village Hall in winter) at 7.30pm.

The meeting is listed every month in the Village Post Office window, on the Notice Board at the Recreation Ground, and in Odsey near the station.

A copy of the full minutes from the Council Meetings may be obtained by contacting the Parish Clerk, Sally Walmesley, Redwood Lodge, South Street, Litlington, Royston SG8 0QR. Telephone 01763 852137 or e-mail sally.walmesley@btinternet.com. Minutes can also be viewed on the Steeple Morden Village Website www.steeplemorden.org and the Village Post Office. Discussion on agenda items at the July meeting included the following:

Comment from Parishioner – A parishioner expressed concern about the rise in aircraft traffic coming in to Luton airport. He has been working with MP Heidi Allen to monitor the rise in air traffic over the parish which is currently over 300 flights over an eighteen hour period each day and is likely to rise with the expansion of the airport. Other parishioners who share this concern may find further information and can register any complaints here:

<http://www.london-luton.co.uk/corporate/community/noise>

Report from District Cllr Cicely Murfitt:

- Following the Grenfell Tower fire, it was reported there are no tower blocks nor external cladding on social housing in South Cambridgeshire. There is currently a fire safety check taking place on all social housing in the district and so far there have been no concerns.
- There are emergency plans in place in the event of any major incident in the area. It was agreed that the parish needs to review its own emergency planning procedures.
- It was acknowledged that lack of communication is currently a problem concerning planning applications and concerned parishioners are best talking directly to Cllr Murfitt rather than trying to email or phone directly.

Report from County Cllr Sebastian Kindersley:

- Central Beds are consulting on a draft local plan which includes proposals for a new settlement near Tempsford for over 7000 homes which could impact South Cambs. Parishioners can register concern. More details can be found here: <http://www.centralbedfordshire.gov.uk/planning/policy/local-plan/local-plan.aspx>.
- Children's centres in S. Cambs are being redesignated and may face closure as a result of cuts, including the centre in Bassingbourn. The consultation for this runs until 22nd September: <https://www.cambridgeshire.gov.uk/residents/children-and-families/children-s-centres/children-s-centre-service-and-consultations/>
- There are proposed plans to combine planning teams from South Cambs and Cambridge City which would provide greater resilience of staff, greater expertise and economies of scale in IT, processes and systems.
- There is a proposal that the Police and Crime Commissioner would also like to be responsible for Fire services which would result in the end of the Fire Authority and all decision making being invested to one person. The public consultation is already running and closes on 4th September. Information can be found here: <http://www.cambridgeshire-pcc.gov.uk/get-involved/fire-governance-consultation/>

Matters arising from last meeting

- Clarification is still required as to whether the PC can make a donation to the church for roof repairs
- The transfer of the village website hosting is complete and it is all up and running successfully.
- The work on the Litlington Rd bus shelter is almost complete

Recreation Ground. The annual RoSPA Play Area inspection report has been received and there are some minor maintenance issues that need attention but nothing urgent nor serious. It was noted that incidence of dog mess has risen recently. All previous matters are on-going.

Footpaths – There have been complaints about nettles on Footpath 7 but a parishioner has trimmed these recently and it is now passable. The footpath leaflet is to be reissued as a PDF that may be printed from the village website. Footpath 10 – waiting on county to change the definitive map.

Bluegrass Festival – approval was given to hold the Bluegrass festival on the recreation ground from 15th – 18th June 2018.

In May 2017 I was diagnosed with stage 2, grade 3 breast cancer. I have 2 surgeries ahead of me and am currently half way through my course of chemotherapy at Lister Macmillan Cancer Centre. If it wasn't for the people who have previously fundraised, I wouldn't be able to have my treatment in the new unit, so I thought I would "pay it forward".

St Peter & St Paul's Church have kindly let me take over their Friday morning Cafe Church to host this event, so please join me to raise as much money as possible for Macmillan Cancer Support.

THE WORKERS' EDUCATIONAL ASSOCIATION

The Guilden Morden branch of the Workers' Educational Association (WEA) will reconvene in September with a new nine-week course, Europe Between the Wars, with popular and experienced tutor Stephen Corley. "The two World Wars excite constant popular interest, but less attention is paid to the years which separated them. If you are interested in finding out more about the history which links these two great conflicts, then this is the course for you" said Stephen. "We will study the key events of the period 1918 to 1939, identify the main consequences of WWI and the main causes of WWII in Europe and evaluate historical source material of a variety of different kinds."

The group will meet at 7.45pm on Tuesday evenings from 19th September and fees for the nine-week term are £49.00 – fees may be waived for those in receipt of certain benefits – please check when you sign up!

For more information please telephone Detlev Popp on 01763 852637 or visit wea.org.uk and search for 'C2224746'. You can also call our national enrolment line on 0300 303 3464.

Litter Pick Update

Thank you to all who came to the July litter pick - especially our youngest picker Charlie Crankshaw - who was just a couple of weeks old! Just goes to show you are never too young or old to get the bug...

There was no pick in August but we will resume on **Saturday 9th September** and will be moving to the northern reaches of the village – Zone 6. The plan is to meet at 2pm by the entrance to the recreation ground and the village hall and to cover Hay Street from Craft Way to Trap Road /North Brook End as far as we can, this will obviously depend on how many volunteers we have – I hope you will be able to join us.

In addition, please note there is a **change to the location of the November pick on Saturday 11th November** - it was due to cover the recreation ground and conservation area. However, as the Scouts, Cubs and Beavers have done such an excellent job in those areas already and because the litter problem is

Allotments For Rent

Would you like the satisfaction of growing your own veg, saving a few pounds on your shopping bill and possibly making new friends along the way?

Our site on the edge of the village has now been established for four years. We are a small, friendly, lively, enthusiastic (and mixed ability!) group of members, with around 20 plots on site. Due to changes of circumstance, one or two have recently become available so we would love you to join our thriving community of Allotmenters!

We have 'full size' and 'half size' plots – perhaps you would like to share with a friend or neighbour, or give your children the chance to learn more about where their food comes from by growing their own?

It is a self-contained, locked site with a water supply and communal composting, and you can put a shed on your plot if needed.

So if you want to be eating fresh Asparagus in April and your own Leeks in December please get in touch!

A focus on local business

In support of promoting local businesses, the Newsletter is inviting local businesses to submit a short advertorial about the products and services they offer to be included in a future Newsletter.

The advert is to be written by you and can include a couple of photos. The articles need to be no more than half an A4 page including photos or graphics. Send to newsletter@steeplemorden.org

This is your opportunity to tell local people about your local business.
